SUPPLEMENTAL APPLICATION FORM

Citizens' Advisory Board

In its efforts to involve citizens on a continuous basis in the City's Community Development Block Grant Program, the City created the Citizens' Advisory Board as a permanent mechanism to provide residents an opportunity to influence decision-making for the HUD-assisted projects. The City hopes to achieve maximum citizen participation for the CDBG Program through the Board's continuing involvement in planning, monitoring and evaluations.

Because the CDBG Program was established for the benefit of low and moderate income persons, the City wants to ensure that persons of low to moderate income are adequately represented on the Board. For this reason, all applicants for appointment to the Board are asked to complete this Supplemental Application Form.

Check the boxes that represent your situation.
