The committee must contain one representative from at least six of the following 11 categories: citizen who is actively engaged in the residential home building industry in connection with affordable housing; citizen who is actively engaged in the banking or mortgage banking industry in connection with affordable housing; citizen who is a representative of those areas of labor actively engaged in home building in connection with affordable housing; citizen who is actively engaged as an advocate for low-income persons in connection with affordable housing; citizen who is actively engaged as a for-profit provider of affordable housing; citizen who is actively engaged as a not-for-profit provider of affordable housing; citizen who is actively engaged as a real estate professional in connection with affordable housing; citizen who actively serves on the planning and zoning board/local planning agency pursuant to F.S. § 163.3174; citizen who is a resident of the city; citizen who represents employers within the city; and citizen who represents essential services personnel, as defined in the local housing assistance plan (any person employed by educational, governmental and human service agencies; health care personnel; public safety personnel; and any skilled building trades personnel and food service personnel).

Except as noted, members of this committee shall not be subject to the residency requirement established in Section 2-136, City Code. The approval of its local housing incentive strategies and its review of the local implementation of previously recommended strategies must be made by affirmative vote of five members. Five members of the committee shall constitute a quorum. The affirmative vote of a majority of the members present and voting shall be necessary for the adoption of any motion.

Triennially, the committee shall review the established policies and procedures, ordinances, land development regulations and Comprehensive Plan of the City and shall recommend specific actions or initiatives to encourage or facilitate affordable housing. Recommendations may include modification or repeal of existing policies, procedures, ordinances, etc.; creation of exceptions applicable to affordable housing; or adoption of new policies. At a minimum, the committee shall submit a report to the City Council that includes recommendations on the implementation of affordable housing incentives in specific areas. Thereafter, the committee shall evaluate the implementation of those incentives.

LIBRARY BOARD

5 members, 5-year terms

Reference Sections 2-306 through 2-307, City Code. The by-laws were adopted by the board on April 19, 1994 and approved by the City Council on February 14, 1995.

Reference City Code, Sections 2-135 through 2-143, for provisions that generally apply to all boards.

Special Act of Florida 72-480 created a special district known as the Brevard County Free Library District with the Board of County Commissioners as the governing body. Prior to the Act, the City of Melbourne operated two libraries (Melbourne Library on Fee Avenue and Eau Gallie Library on Pineapple Avenue). Following the Act, the county and the city entered into a library contract providing for both libraries to be operated by the county as free public libraries. In May 1987, the city and the county entered into lease agreements providing for the properties to be leased from the city to the county in perpetuity as long as the facilities are maintained as a public library. The following is an excerpt from the lease agreements:

The city hereby agrees to provide for the development and improvement of local public library services by appointing a local library board to represent public interests and to serve as an information resource in planning the local library service programs for discussion and review by the Brevard County Public Library Board. The local board is to help facilitate the transmission of information from the local community pertaining to the needs of that particular library to the Brevard County Library Board and the Library Services Manager.

In October 1980, the county agreed to include the Stone Community Library (Dr. Martin Luther King, Jr. Library) into the Brevard County Library System in exchange for Melbourne agreeing to operate and maintain Lipscomb Street Park and to include the park in its annual Community Development Block Grant program. The underlying land is owned by Brevard County.

As noted, the libraries are under the direction of the Brevard County Library System. The board advises and consults with the Library Directors on the operation and maintenance of the libraries; reviews and makes recommendations on the proposed operational budget for each fiscal year; creates, fosters and coordinates interest by the local community in the operation and programs of the libraries; and recommends to the Brevard County Public Library Board programs, policies, procedures and methods to increase the efficiency and effectiveness of the administrative function of the free public library service within the district.

Three members of the board shall constitute a quorum for transacting business.

The board meets on the third Tuesday of January, February, March, May, August, September and November, at 3:00 p.m. alternating among the Melbourne, Eau Gallie and Stone Libraries.

The committee serves in an advisory body to the Council in its capacity as the community redevelopment agency for the Melbourne Downtown Redevelopment Project. Any person may be appointed to the committee if he resides within the City, or is engaged in business, or owns property within the Melbourne Downtown Redevelopment Area. “Engaged in business” means owning a business, practicing a profession or performing a service for compensation, or serving as an officer or director of a corporation so engaged. Four members of the committee shall constitute a quorum for any action. Alternate members shall attend committee meetings regardless of whether a quorum of regular members is seated. Alternate members may always participate in committee deliberations and debate, but they may make motions and vote only in the absence of a regular member. In the event that six regular members are present and two alternate members are present, the alternate member who may vote and make motions with regard to an agenda item shall be the alternate member who has served on the committee for the longest period of time. The committee may adopt a procedure providing that the two alternate members will rotate as voting members in the absence of a regular member.

The committee has no authority to obligate the city to undertake any community redevelopment project or expend any funds.

The District was created in 1982 and expanded in 2006. The Downtown, northern, and southern areas will expire on December 31, 2042.

The committee meets the first Friday in February, April, June, August, October and December, 8:00 a.m., in the Council Chamber of City Hall.

OLDE EAU GALLIE RIVERFRONT COMMUNITY REDEVELOPMENT
AGENCY ADVISORY COMMITTEE

7 regular members and 2 alternate members
2-year terms

Reference Chapter 20, Article VI, City Code; Ordinance Nos. 2001-23, 2001-25 and Resolution No. 1657; Resolution No. 1859 established an ad hoc committee to be known as the Waterfronts Florida Partnership Committee, comprised of members from the Olde Eau Gallie Riverfront CRA Advisory Committee. Resolution No. 1939 made a finding of blight for expanded area (areas adjacent to existing district). Ordinance No. 2005-77 amended the district to include the expansion area and amended the redevelopment plan. Ordinance No. 2015-31 amended the CRA boundary and Redevelopment Plan.

The committee serves as an advisory body to the Olde Eau Gallie Riverfront Community Redevelopment Agency (City Council) for the Olde Eau Gallie Riverfront Community Redevelopment Area. The duties include preparation of recommended plans and modifications for redevelopment projects in the defined area. Additionally, this committee shall also serve as the Urban Infill Area Advisory Committee as established by Ordinance No. 2001-24.

The committee consists of seven members and two alternate members. Alternate members shall attend committee meetings regardless of whether a quorum of regular members is seated. Alternate members may always participate in committee deliberations and debate, but they may make motions and vote only in the absence or voting disqualification of a regular member. In the event that six regular members are present and two alternate members are present, the alternate member who may vote and make motions shall be the alternate member who has served on the committee for the longest period of time. The committee may adopt a procedure providing that the two alternate members will rotate as voting members in the absence of a regular member.

Any person may be appointed to serve as a committee member, provided that said person is a resident of the City, or is engaged in business within the redevelopment area, and is otherwise eligible for such appointment. "Engaged in business" means owning a business, practicing a profession, or performing a service for compensation, or serving as an officer or director of a corporation or other business entity so engaged.

Four members of the committee shall constitute a quorum.

The District was created in 2000, expanded in 2005 and 2015, and will expire in 2025.

The committee meets the second Thursday in January, March, May, July, September and November, 8:00 a.m., in the Council Chamber, City Hall.

ZONING BOARD OF ADJUSTMENT

7 regular members and 2 alternate members, 3-year terms

Reference Sections 2-418 through 2-420, City Code; Appendix B, Article IX, Section 7; and Section 8.04(6), City Charter. Reference City Code, Sections 2-135 through 2-143, for provisions that generally apply to all boards.

The board has the following powers and duties: To hear and decide appeals where it is alleged there is error in any order, requirement, decision, or determination made by the planning and economic development director or the building official in the interpretation or enforcement of Chapter 50 or Appendices B or D, City Code. To authorize upon appeal in specific cases such variance from the terms of Appendix B as will not be contrary to the public interest where, owing to special conditions, a literal enforcement of the provisions of the City Code could result in an unnecessary hardship. See variance criteria outlined in Appendix B, Article IX, Section 7.

The board consists of seven members and two alternate members. Alternate members may act in the temporary absence or disability of any regular member, or may act when a regular member is otherwise disqualified in a particular case that may be presented to the board. The chairman of the Planning & Zoning Board shall be an ex officio, non-voting member of the Board of Adjustment.

The City Council is authorized to establish a schedule of fees to be charged by the board.

The concurring vote of five members of the board shall be necessary (see Section 8.04, City Charter) to reverse any order, requirement, decision or determination of any administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under any such ordinance, or to effect any variation in such ordinance.

Appendix D, Article II, City Code, sets forth the procedures for quasi-judicial hearings, ex-parte communications and site visits. The following applies to the members of this board:

- Members may not engage in ex-parte communications with the public or discuss or receive opinions from an expert witness or consultant, other than at a formally noticed hearing.
- In the event a board member does so, the member is required to disclose the ex parte communication or opinion received from the expert witness or consultant during the open public meeting.
- Members may discuss matters with City staff provided that disclosure is made. The member must identify the staff member, state the substance of the ex parte communication, and state the matters discussed, which the board member considers material to the board member's decision.
- Members may conduct site visits provided that disclosure is made. Disclosure shall include any information obtained by virtue of the site visit considered by the member to be material to the member's decision.

Board meetings are held the last Monday of each month at 6:30 p.m. in the Council Chamber of City Hall.
