

2020

City of Melbourne

Community Redevelopment Agency (CRA) Annual Reports

Melbourne Downtown CRA

Babcock Street CRA

Olde Eau Gallie Riverfront CRA

City of Melbourne 2020 CRA Annual Reports

Three community redevelopment areas (CRAs) are located within the City of Melbourne: the Melbourne Downtown CRA, the Olde Eau Gallie Riverfront CRA, and the Babcock Street CRA. The following is an overview of CRA activities during the fiscal reporting period (FY 2020) from October 1, 2019 to September 30, 2020, including general information, current or completed projects, and financial information.

Specific financial information, such as assets, liabilities, income and operating expenses of the individual CRA trust funds, are found within the City of Melbourne's comprehensive annual financial report. The 2020 CRA audit reports are found in Appendix A. Balance sheets and statements of revenues and expenditures for the CRAs are found in Appendix B.

CRA maps indicate district boundaries and are included for each of the three CRAs in Appendix C.

Information related to the three CRAs, including annual reports, redevelopment plans, budgets, program information, and reporting requirements are available on the [City of Melbourne CRA web page](#).

Melbourne Downtown CRA

Originally established in 1982, the CRA was expanded in 2006 after the completion of a major redevelopment plan amendment. The area contained within the CRA boundary is approximately 322 acres and is shown on the map in Appendix C.

Revenues have only slightly increased over the last budget cycle, with an increase of less than 1%. Table 1 indicates valuations from the base year and January 1, 2021. The current 2020-2021 revenue from tax increment and interest income is \$1,438,589, which supports the current operating budget, CRA projects and CRA programs. The CRA is scheduled to spend its resources on large capital projects in fiscal year (FY) 2021.

TABLE 1 - MELBOURNE DOWNTOWN CRA ASSESSED VALUATIONS

Area	Base Year	Base Valuation	Valuation as of January 1, 2021
Area 1	1982	\$23,595,020	\$142,205,931
Area 2	2006	\$19,599,330	\$43,173,540
Totals		\$43,194,350	\$185,379,471

The Melbourne Downtown CRA is located within census tracts 4800, 4902 and 4700. The Community Development Financial Institution (CDFI) of the U.S. Treasury classifies all three census tracts as targeted populations and low-income communities¹. By this classification, these census tracts lack private capital investment because of their deficient demographics including income, poverty, and unemployment as compared with metropolitan area and national averages. Table 2 provides a summary of these CDFI targeted census populations.

TABLE 2 - MELBOURNE DOWNTOWN CRA CENSUS INFORMATION

Census Tract	Median Income as % of Area Median	Poverty Rate	Unemployment Rate	Unemployment Rate Times National Average
4800	65.61%	23.50%	12.50%	1.51
4902	31.78%	37.30%	19.50%	2.35
4700	62.66%	25.70%	23.20%	2.80

Total expenditures from the redevelopment trust fund in FY 2020 were \$4,490,229, which includes operating expenditures, transfers/appropriations to capital projects, capital project expenditures, and bond finance appropriation.

¹ Source: [U.S. Department of the Treasury Community Development Financial Institutions Fund \(CDFI\)](#), 2011-2015 census data. Targeted population refers to individuals or an identifiable group of individuals meeting the requirements of 13 C.F.R. § 1805.201(b)(3). According to the regulations, "Targeted Population shall mean individuals, or an identifiable group of individuals, who are Low-Income persons or lack adequate access to Financial Products or Financial Services in the service area."

No funds were directly expended for affordable housing for low-and middle-income residents; however, a mixed-use building renovation project with 11 units of affordable housing, received \$20,000 in CRA Façade program funding for the commercial storefront renovation. This CRA grant indirectly assisted with the overall project financing.

Projects and Programs

The Melbourne Downtown CRA continues to utilize its resources to achieve goals set forth in the redevelopment plan through capital improvement projects, programs, and initiatives. The extent to which the CRA has achieved its goals in FY 2019-2020 includes:

- One Façade Improvement Program project located at 2421 Stone Street (Pirouette Group, LLC) was completed and grant funding in the amount of \$20,000 was reimbursed. This project leveraged an estimated \$250,000 in additional private investment. See Figure 1.
- **South Expansion Streetscape Project:**
 - **Phase I** was placed to bid in 2020; however, the sole bid of \$2.0M far exceeded the Engineer's estimate of \$1.2M. Further, there was not enough CRA funding available to construct the project at the bid price. The CRA may be bidding the project again in the second quarter of 2021, to determine if project construction might be viable. The City may also pursue additional funding from the Space Coast Transportation Planning Organization (TPO).
 - **Phase II** includes the US 1 corridor from W. H. Jackson Street to University Boulevard. A total of \$100,000 has been set aside for the first phase of engineering design in FY 2021. Additionally, staff will apply to see if this project can be added to the TPO prioritized project list as a safety-related project, which would assist in all phases of design and construction.
- The **West Crane Creek Pedestrian Bridge Project** has been included in the CRA's capital improvement program since 2012. With an estimated cost of \$1.5 million, additional sources of funding would need to be obtained. Staff will explore the possibility of applying for a grant from the Florida Inland Navigational District (FIND) to supplement the \$47,000 already appropriated for engineering and permitting costs.
- The **Archway/Gateway Refurbish Project** went out to bid in FY2020 and came back with a low bid of \$120,000, which exceeded the \$25,000 that had been allocated to the project previously. Additional funding was appropriated into the project by the CRA in FY2021. The bid is scheduled to be let in the second quarter of FY2021.
- The **Riverview Park Improvement Project** continues to be incrementally funded for specific projects through the CRA and other funding sources. Engineering design for an elevated boardwalk through the mangroves was substantially completed and in FY 2020, the CRA expended \$25,000 for engineering design. The CRA Advisory committee has prioritized two projects within the Riverview Park Master Plan for subsequent consideration. These projects include: burial of the power lines, and the construction of a new non-motorized boat launch. The CRA has scheduled recurring funding within the annual capital improvement program to complete projects in the Plan.

- The **Public-Private Development Program** was enacted to enable the CRA to enter into public-private partnerships and facilitate desired large-scale real estate development projects. The Program targets vertical mixed-use, residential, office, and hotel projects having an investment of \$5 million or more. Utilizing tax increment finance (TIF) or other CRA assets, the CRA can leverage private real estate investment opportunities and develop markets that are deficient or do not currently exist in Downtown Melbourne. On January 14, 2020, this Program application period was extended to December 31, 2024. There were two projects under construction in FY2020.
 - Approved on February 28, 2017, **Highline Apartments, LLC** received their certificate of occupancy for the building in July of 2020 (see Figure 2). Consisting of 171 luxury apartments and 8,600 square feet of commercial space, this project also includes \$1 million of public facility and infrastructure improvements for parking, sidewalks, lighting, landscaping and storm water utilities, which was substantially completed at the end of FY 2020. Under a joint resolution, City Council and the CRA Board committed property and a \$2.4 million CRA revenue bond. The bond will be provided as a grant to the developer after completion in FY 2021. See Figure 2.
 - Approved on August 14, 2018, **801 Strawbridge Hotel, LLC (aka Hilton Tapestry/Hotel Melby)** is under construction and is projected to be operational during the second quarter of the 2021 calendar year (see Figure 3). Consisting of a 156-room boutique hotel and 170 spaces of structured parking, this project also includes off-site public improvements to the Waverly Place alley, valued at \$195,000. The developer is dedicating a minimum of 30 spaces for public parking, providing pedestrian easements, and public streetscape enhancements. The project represents approximately \$35 million of new investment. The City of Melbourne secured a \$2 million HUD Section 108 loan guarantee on behalf of the developer and the CRA committed approximately \$807,000 net present value (NPV) of future TIF, once the hotel is constructed. See Figure 3.

During the reporting period there were a total number of ten projects under various levels of development. Eight projects were started and two projects were completed. Information related to expenditures and estimated costs can be found in Table 3.

TABLE 3 - MELBOURNE DOWNTOWN CRA PROJECT LIST

Project	Name	FY 2020 Expenditure	Estimated Cost	Status
1	Façade Improvement Program Project	\$14,396	\$14,396	Completed
2	Strawbridge Avenue Median & Landscape	\$0	\$29,401	Started
3	South Expansion Streetscape Phase 1	\$10,567	\$1,200,000	Started
4	West Crane Creek Pedestrian Bridge	\$0	\$1,500,000	Started

Project	Name	FY 2020 Expenditure	Estimated Cost	Status
5	Archway/Gateway Refurbish	\$269	\$130,000	Started
6	Riverview Park Improvement	\$25,000	\$25,000	Completed
7	South Expansion Streetscape Phase 2	\$0	\$2,500,000	Started
8	Downtown ROW and Infrastructure	\$0	\$90,000	Started
9	Public Private Development Program – Highline Apartments, LLC	\$0	\$2,475,000	Started
10	Public Private Development Program – 801 Strawbridge Hotel, LLC	\$0	\$1,002,000	Started

Goals

The Melbourne Downtown CRA is scheduled to sunset in 2042 and has prioritized a number of projects and initiatives for 2020 and beyond, which include the following:

- Go out to bid and begin construction of the South Expansion Streetscape Phase I project in 2021 or secure additional TPO funding pushing construction to 2024;
- Commence engineering design or be placed on the TPO project list for the South Expansion Streetscape Phase II project;
- Continue the Façade Improvement Program, providing CRA funding on an annual basis;
- Complete planning, design and engineering for the next phase of improvements in Riverview Park, with on-going funding of the CRA;
- Explore alternate funding sources for the Crane Creek Pedestrian Bridge and commence engineering and permitting;
- Complete the Strawbridge Avenue Medians & Landscape with construction of sidewalks on the South side of the Row limits;
- Continue working with the 801 Strawbridge Hotel/Hilton Tapestry developer to monitor progress of construction and coordinate payments of the HUD Section 108 loan;
- Support the developer of Highline Apartments, LLC to complete construction of their mixed-use building and associated public improvements and issue \$2.4 million of bond money to the developer;
- Continue parking management discussions at the stakeholder level with some recommendations for the CRA/Council to consider;
- Utilize funds from the Downtown Core Right-of-Way/Easement Access and Infrastructure Improvements CIP, for continuation of ongoing streetscape improvements;
- Utilize the Public-Private Development Program to attract additional Downtown developments;

- Implement a parking management plan as an economic development tool to benefit both businesses and the public by creating a short- and long-term parking strategy to financially sustain current and future parking demand;
- Continue the Community Policing Program to assist with crime prevention and business relations; and
- Explore options for public restrooms in the downtown core.

FIGURE 3 - HILTON TAPESTRY/HOTEL MELBY RENDERING & UNDER CONSTRUCTION

Babcock Street CRA

The Babcock Street CRA was established in 1997 and was expanded in 2001 and 2003. The area contained within the CRA boundary is approximately 540 acres and is shown on the map in Appendix C.

Revenues have increased at a normal rate of 3% over the last budget cycle. Table 4 indicates valuations from the base year and January 1, 2020. The current 2020-2021 revenue from tax increment and interest income is \$1,190,773, which supports the current operating budget, CRA projects and CRA programs. The CRA is scheduled to spend its resources on large capital projects in fiscal year 2021.

TABLE 4 - BABCOCK STREET CRA ASSESSED VALUATIONS

Area	Base Year	Base Valuation	Valuation as of January 1, 2021
Area 1	1997	\$66,708,980	\$180,781,788
Area 2	2001	\$7,579,380	\$10,133,280
Area 3	2004	\$311,060	\$372,720
Totals		\$74,599,420	\$191,287,788

The Babcock Street CRA is located within census tracts 4700, 4800 and 4201. The Community Development Financial Institution (CDFI) of the U.S. Treasury classifies all three census tracts as targeted populations and low-income communities². By this classification, these census tracts lack private capital investment because of their deficient demographics including income, poverty, and unemployment as compared with metropolitan area and national averages. Table 5 provides a summary of these CDFI targeted census populations.

TABLE 5 - BABCOCK STREET CRA CENSUS INFORMATION

Census Tract	Median Income as % of Area Median	Poverty Rate	Unemployment Rate	Unemployment Rate Times National Average
4700	71.48%	25.70%	23.20%	2.80
4800	65.61%	23.50%	12.50%	1.51
4201	70.17%	15.70	4.10%	0.49

Total expenditures from the redevelopment trust fund in FY 2020 were \$2,704,637 which includes operating expenditures, transfers/appropriations to capital projects, and capital project expenditures.

No funds were expended for affordable housing for low- and middle-income residents.

² Source: [U.S. Department of the Treasury Community Development Financial Institutions Fund \(CDFI\)](#), 2011-2015 census data.

Projects and Programs

The Babcock Street CRA continues to utilize its resources to achieve goals set forth in the redevelopment plan through capital improvement projects, programs, and initiatives. The extent to which the CRA has achieved its goals in FY 2019-2020 includes:

- One **Facade Improvement Program** project was completed:
 - 201 South Babcock Street (OT Trans, LLC) – Funding in the amount of \$20,000 was reimbursed. The project leveraged an estimated \$25,000 in additional private investment. See Figure 4.
- The **Phase III B Medians Project** is under construction along Babcock Street from the FEC railroad to south of Brevard Avenue. Project improvements include landscaped and hardscaped medians, a new continuous sidewalk along the east side, pedestrian and vehicular lighting, water and sewer lines, and storm water improvements. In FY 2020, the CRA spent \$1,678,583 on construction and engineering expenses. The project is funded from multiple sources including, CRA, General Fund, Water & Sewer Funds, and Impact Fees. Overall investment is expected to cost in excess of \$3.5 million. The CRA has committed \$2,206,735 to the project. See Figure 5
- The **MLK³ Boulevard South Bound Right Turn Lane Project** was substantially designed and engineered in FY 2020 and the CRA expended \$51,546 in engineering services. The project will add a new southbound right-hand turn lane from Dr. Martin Luther King Jr. Boulevard to NASA Boulevard, enhancing capacity of the roadway. City staff is working with the Melbourne Orlando International Airport to acquire right-of-way. See Figure 6.
- The **NASA Landscape Medians Project** was under construction in FY 2020. The project is substantially complete and will be closed out in FY 2021. CRA expenditures on this project in FY 2020 were \$117,639. Enhanced landscape, and irrigation utilizing the City’s re-use utilities will improve the appearance of this Orlando-Melbourne Airport corridor of NASA Boulevard. See Figure 7.

During the reporting period there were a total number of four projects under development. Three projects were started and one project was completed. Information related to expenditures and estimated costs can be found in Table 6.

TABLE 6 - BABCOCK STREET CRA PROJECT LIST

Project	Name	FY 2020 Expenditure	Estimated Cost	Status
1	Façade Improvement Program Projects	\$20,000	\$20,000	Complete

³ Airport Boulevard was renamed to Dr. Martin Luther King Jr. Boulevard (MLK) in 2019. The original name of this capital project was *Airport Boulevard Southbound Right Turn Lane*.

Project	Name	FY 2020 Expenditure	Estimated Cost	Status
2	Phase III B Medians Project	\$1,678,583	\$2,206,735 ⁴	Started
3	MLK Boulevard South Bound Right Turn Lane	\$51,546	\$1,300,000	Started
4	NASA Landscape Medians	\$117,639	\$250,000	Started

Goals

The Babcock Street CRA is scheduled to sunset in 2024 and has prioritized a number of projects and initiatives for 2021 through sunset to include the following:

- Complete construction of the Phase III B Medians Project in FY 2021;
- Complete construction of the NASA Landscape Medians project in FY 2021;
- Begin a Request for Proposal RFP process for CRA-owned 311 S. Babcock Street for the purposes of private redevelopment;
- Continue funding and promotion of the Façade Improvement Program;
- Complete engineering and design of the southbound MLK Boulevard Right Turn Lane Project, and bid the project before the end of 2021; and
- Support the Community Policing Program’s merchant outreach initiatives.

⁴ \$2,206,735 represents CRA funding contribution. The total cost of improvements for the Phase III B medians project is anticipated to be \$3.5 million funded from multiple sources (General Fund, Water & Sewer, Impact Fees)

Olde Eau Gallie Riverfront CRA

The Olde Eau Gallie Riverfront CRA was established in 2000 and was expanded in 2005 and 2015. The area contained within the CRA boundary is approximately 297 acres and is shown on the map in Appendix C.

Revenues have increased at a rate of 8.9%, mainly due to higher property valuations and increased investment. Table 7 indicates valuations from the base year and January 1, 2021. The current 2020-2021 revenue from tax increment and interest income is \$609,579, which supports the current operating budget, CRA projects and CRA programs.

TABLE 7 - OLDE EAU GALLIE RIVERFRONT CRA ASSESSED VALUATIONS

Area	Base Year	Base Valuation	Valuation as of January 1, 2021
Area 1	2000	\$16,958,230	\$51,180,240
Area 2	2005	\$44,041,890	\$69,494,080
Area 3	2015	\$771,910	\$856,670
Totals		\$61,772,030	\$121,530,990

The Eau Gallie CRA district is located within census tracts 4201 and 4202. The Community Development Financial Institution (CDFI) of the U.S. Treasury classifies both census tracts as targeted populations and low-income communities.⁵ By this classification, these census tracts lack private capital investment because of their deficient demographics including income, poverty, and unemployment as compared with the metropolitan statistical area and national averages. Table 8 provides a summary of these CDFI targeted census populations.

TABLE 8 - OLDE EAU GALLIE RIVERFRONT CRA CENSUS INFORMATION

Census Tract	Median Income as % of Area Median	Poverty Rate	Unemployment Rate	Unemployment Rate Times National Average
4201	70.17%	15.70%	4.10%	0.49
4202	84.22%	22.70%	11.0%	1.33

Total expenditures from the redevelopment trust fund in FY 2020 were \$526,368, which includes operating expenditures, transfers/appropriations to capital projects, and capital project expenditures.

No funds were expended for affordable housing for low- and middle-income residents.

⁵ Source: [U.S. Department of the Treasury Community Development Financial Institutions Fund \(CDFI\)](#), 2011-2015 census data.

Projects and Programs

Olde Eau Gallie Riverfront CRA continues to utilize its resources to achieve goals set forth in the redevelopment plan through capital improvement projects, programs, and initiatives. The extent to which the CRA has achieved its goals in FY 2019-2020 includes:

- The ***District Street Lighting Project*** was anticipated to have complete design and go out to bid in 2020, with construction commencing shortly after; however, the project did not proceed because of engineering and design difficulties. This project is located on Highland Avenue between Montreal Avenue and St. Clair Street, Bud Yeagar Drive, and the Eau Gallie Square. It includes removal of existing street lighting, the installation of decorative street/pedestrian light poles and fixtures, and market lighting for a portion of Highland Avenue near the Square. Once complete the project will represent approximately \$800,000 in public investment. In FY 2020, the CRA spent \$16,600 on additional engineering design services. See Figure .
- The ***On-Street Parking*** project was closed due to a decision by the CRA to pursue an extension of the CRA sunset date, to be able to finance the construction of a parking garage. If the garage becomes unattainable, the CRA will then again look into alternate parking options.
- CRA and City staff has continually facilitated private investment in the Eau Gallie CRA district. The support has included technical assistance related to planning development sites with interpretation of land development regulations. An example of recent private investment, which was assisted by CRA Planning staff is the imminent “Pineapples Restaurant”. The building is under construction at the corner of Pineapple Avenue and Eau Gallie Boulevard. See Figure 9

During the reporting period there were a total number of three projects under development but no completions. Two projects were started and one project was closed. Information related to expenditures and estimated costs can be found in Table 9.

TABLE 9 - OLDE EAU GALLIE RIVERFRONT CRA PROJECT LIST

Project	Name	FY 2020 Expenditure	Estimated Cost	Status
1	Façade Program Projects	\$0	\$20,000	Started
2	District Street Lighting	\$16,600	\$425,00	Started
3	On-Street Parking	\$0	\$275,000	Started/Closed

Goals

The Olde Eau Gallie Riverfront CRA is scheduled to sunset in 2025, however, the CRA acknowledges that the redevelopment plan goals will not be accomplished without consideration of extending the sunset. The CRA has prioritized a number of projects and initiatives for 2020 and beyond to include the following:

- Continue to offer the Art Overlay Incentive Program to assist with a commercial conversion;
- Continue to promote the Façade Improvement Program within the targeted commercial area of the CRA;
- Commence construction of the District Street Lighting project;
- Construct a public parking garage or partner in a shared structured parking facility;
- Consideration for the addition of a new public-private development program, which may be used to induce catalytic private development;
- Complete a CRA redevelopment plan amendment updating projects and estimates including an extension to the CRA termination date, necessary to finance the construction of public parking facilities.

INDEPENDENT AUDITORS' REPORT

Honorable Mayor and Members of the City Council
Melbourne Downtown Community Redevelopment Agency

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and major fund of the Melbourne Downtown Community Redevelopment Agency, as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the Melbourne Downtown Community Redevelopment Agency's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and major fund of the Melbourne Downtown Community Redevelopment Agency as of September 30, 2020, and the respective changes in financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison on pages 4-7, and pages 22-24 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Melbourne Downtown Community Redevelopment Agency's basic financial statements. The project revenues and expenditures schedule is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The project revenues and expenditures schedule is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United

Honorable Mayor and Members of the City Council
Melbourne Downtown Community Redevelopment Agency
Page Three

States of America. In our opinion, project revenues and expenditures is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 9, 2021 on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

**MELBOURNE DOWNTOWN COMMUNITY REDEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

The Management's Discussion and Analysis section provides a narrative overview of the Melbourne Downtown Community Redevelopment Agency (the "Agency") financial activities for fiscal year ending September 30, 2020. This discussion is broken down into three components:

- An overview of the Agency.
- A brief overview of the financial statements, including how they relate to each other and the significant differences in information they provide.
- A concise, condensed financial report that summarizes the results of operations and a narrative financial analysis of the Agency's overall financial condition and results of operations, supported by additional consolidated information about specific services provided by the Agency.

Overview

The purpose of the Melbourne Downtown Community Redevelopment Agency is to eliminate slum and blighted conditions within the identified redevelopment area pursuant to the redevelopment plans of the Agency.

The Agency's primary source of revenue is tax increment funds. The revenue is computed by applying the operating tax rate for the City of Melbourne (the "City") and Brevard County (the "County"), multiplied by the increased value of the property located within the boundaries of the redevelopment areas of the Agency, over the base property value, minus 5% for early payment. The City and County are required to fund this amount annually without regard to tax collections or other obligations.

Further, the governing body of the Melbourne Downtown Community Redevelopment Agency is the Melbourne City Council who make decisions on which programs and projects to fund, based on the adopted CRA plan. To review projects and programs and make recommendations, the Redevelopment Agency Board has appointed members to the Melbourne Downtown Redevelopment Advisory Committee.

The Agency was established in 1982, by the City of Melbourne, Florida under the provisions of Section 163.333 Florida Statutes.

Overview of the Financial Statements

The discussion and analysis are intended to serve as an introduction to the Agency's basic financial statements. The Agency's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. The report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The *government-wide financial statements* are designed to provide readers with a broad overview of the Agency's finances, in a manner similar to a private-sector business.

The *statement of net position* presents information on all of the Agency's assets and liabilities with the difference reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Agency is improving or deteriorating.

The *statement of activities* presents information showing how the Agency's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., bond principal and interest payments).

The government-wide financial statements can be found on pages 8-9 of this report.

Fund financial statements. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Agency uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

**MELBOURNE DOWNTOWN COMMUNITY REDEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

Governmental funds. *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the Agency's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The Agency adopts an annual appropriated budget. A budgetary comparison statement has been provided as part of Required Supplementary Information, to demonstrate compliance with this budget.

The basic governmental fund financial statements can be found on pages 10-13 of this report.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 14-21 of this report.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain *required supplementary information* concerning the Agency's budget. Required supplementary information (RSI) can be found on pages 22-24 of this report.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the Agency, liabilities exceeded assets by \$1,529,850.

The net investment in capital assets is 47% of the net position. These assets are not available for future spending. The restricted net position represent resources that are subject to restrictions on how the money can be spent. The unrestricted net position represents the amount the liabilities exceed existing current and other assets. The debt proceeds of \$2,400,000 were transferred to the primary government (general construction fund) to be paid to a developer for the Highline Apartments project.

Statement of Net Position

	Governmental Activities		Increase (Decrease)
	2020	2019	Amount
Assets			
Current and other assets	\$ 158,630	\$ 786,797	\$ (628,167)
Capital assets	729,234	770,461	(41,227)
Total assets	887,864	1,557,258	(669,394)
Liabilities			
Long-term liabilities outstanding	2,400,000	-	2,400,000
Other liabilities	17,714	5,725	11,989
Total liabilities	2,417,714	5,725	2,411,989

**MELBOURNE DOWNTOWN COMMUNITY REDEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

Key elements of the increase in net position are as follows:

	Governmental Activities		Increase (Decrease)	
	2020	2019	Amount	Percent
Revenue				
Program revenue:				
Charges for services	\$ 8,400	\$ 2,800	\$ 5,600	200.00%
Operating grants and contributions	1,398,709	1,274,882	123,827	9.71%
General revenue:				
Investment earnings	56,765	28,883	27,882	96.53%
Other	3,785	79,435	\$ (75,650)	-95.24%
Total revenues	1,467,659	1,386,000	81,659	5.89%
Expenses:				
General government	789,839	785,509	4,330	0.55%
Interest on long-term debt	9,203	1,885	7,318	388.22%
Total expenses	799,042	787,394	11,648	1.48%
Change in net position and transfers	668,617	598,606	70,011	11.70%
Transfers to primary government	(3,750,000)	(345,000)	(3,405,000)	986.96%
Change in net position	(3,081,383)	253,606	(3,334,989)	-1315.03%
Net position - October 1,	1,551,533	1,297,927	253,606	19.54%
Net position - September 30	\$ (1,529,850)	\$ 1,551,533	\$ (3,081,383)	-198.60%

Financial Analysis of the Agency's Funds

As noted earlier, the Agency uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental fund. The focus of the Agency's *governmental fund* is to provide information on near-term inflows, outflows, and balances of *spendable* resources. Such information is useful in assessing the Agency's financing requirements.

As of the end of the fiscal year, the Agency's governmental fund reported ending fund balance of \$150,119, a decrease of \$630,953 in comparison with the prior year.

Budgetary Highlights

The following is a brief review of the final amended budget and actual amounts (presented on a budgetary basis). A detailed budgetary comparison schedule for the Agency is included on page 22 of the RSI section.

The variance between the final budget and the actual results reflects total revenues, transfers in and sale of capital assets exceeding budget by \$42,289, and total expenditures and debt issue expense of \$88,592 less than appropriated. These factors caused the change in fund balance to be \$130,881 higher than budgeted.

Capital Asset and Debt Administration

Capital assets. The Agency's capital assets for governmental activities as of September 30, 2020 total \$729,234 (net of accumulated depreciation). The capital assets include land and improvements other than buildings.

**MELBOURNE DOWNTOWN COMMUNITY REDEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

Capital Assets

	Governmental Activities	
	2020	2019
Land	\$ 518,724	\$ 520,074
Improvements other than buildings	210,510	250,387
Total capital assets, net of depreciation/amortization	\$ 729,234	\$ 770,461

Additional information on the Agency's capital assets can be found in Note (3) B on page 19 of this report.

Long-term debt. At the end of the current fiscal year, the Agency had total debt outstanding of \$2,400,000.

Outstanding Debt

	Governmental Activities	
	2020	2019
Capital Improvement Revenue Note	\$ 2,400,000	\$ -
Total	\$ 2,400,000	\$ -

Governmental activities debt increased \$2,400,000 for the issuance of the Downtown CRA Capital Improvement Revenue Note for the construction of the Highline Apartments project.

Additional information on the Agency's long-term debt can be found in Note (3) E on pages 20-21 of this report.

**MELBOURNE DOWNTOWN COMMUNITY REDEVELOPMENT AGENCY
RECONCILIATION OF THE BALANCE SHEET OF THE GOVERNMENTAL FUND
TO THE STATEMENT OF NET POSITION
SEPTEMBER 30, 2020**

Total *fund balance* for governmental fund \$ 150,119

Total *net position* reported for governmental activities in the statement of net position is different because:

Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the fund. Those assets consist of:

	Balance	Accumulated Depreciation/ Amortization	
Land	\$ 518,724	\$ -	
Improvements	736,393	(525,883)	
Total capital assets	\$ 1,255,117	\$ (525,883)	729,234

Long-term liabilities, including bonds payable, are not due and payable in the current period, and accordingly are not reported as fund liabilities. Interest on long-term debt is not accrued in governmental funds, but rather is recognized as an expenditure when due. All liabilities - both current and long-term - are reported in the statement of net position.

Accrued interest on note	\$ (9,203)	
Note payable	(2,400,000)	
Total long-term liabilities and associated accrued interest		(2,409,203)
Net position of governmental activities		\$ (1,529,850)

The accompanying notes are an integral part of this statement.

Fund balance, September 30	<u><u>\$ 150,119</u></u>
----------------------------	--------------------------

The accompanying notes are an integral part of this statement.

**CITY OF MELBOURNE, FLORIDA
RECONCILIATION OF THE STATEMENT OF REVENUES,
EXPENDITURES AND CHANGE IN FUND BALANCE OF GOVERNMENTAL FUND
TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2020**

Net change in *fund balance* - governmental fund \$ (630,953)

The change in *net position* reported for governmental activities in the statement of activities is different because:

The governmental fund reports capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation and amortization expense. This is the amount by which capital outlay exceeded depreciation and amortization in the current period.

Depreciation and amortization expense (39,877)

In the statement of activities, only the gain or loss on the sale of capital assets are reported. However, in the governmental fund, the proceeds from the sale increase financial resources. Thus, the change in net position differs from the change in fund balance by the cost of the capital assets sold or disposed.

Cost of capital assets sold or disposed		\$ (1,350)	
Improvements other than buildings	\$ 98,085		
Machinery and equipment	23,986		
Accumulated depreciation	<u>(122,071)</u>	<u>-</u>	(1,350)

The issuance of long-term debt provides current financial resources to governmental funds and contributes to the change in fund balance. In the statement of net position, however, issuing debt increases long-term liabilities and does not affect the statement of activities. Similarly, refunding and repayment of debt consume current financial resources of the governmental fund, but reduce the liability in the statement of net position and does not affect the statement of activities.

Issuance of revenue bonds (2,400,000)

Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in governmental funds.

Accrued interest on note (9,203)

Change in net position of governmental activities \$ (3,081,383)

The accompanying notes are an integral part of this statement.

**MELBOURNE DOWNTOWN COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Melbourne Downtown Community Redevelopment Agency's (the "Agency") financial statements are prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the standard-setting body for governmental accounting and financial reporting. The GASB periodically updates its codification of the existing Governmental Accounting and Financial Reporting Standards which, along with subsequent GASB pronouncements (Statements and Interpretations), constitutes GAAP for governmental units.

A. REPORTING ENTITY

The Melbourne Downtown Community Redevelopment Agency was established in 1982 by the City of Melbourne, Florida (the "City") under the provisions of Section 163.333, Florida Statutes.

The governing body of the Melbourne Downtown Community Redevelopment Agency is the Melbourne City Council who make decisions on which programs and projects to fund, based on the adopted CRA plan. To review projects and programs and make recommendations, the Redevelopment Agency Board has appointed members to the Melbourne Downtown Redevelopment Advisory Committee.

For financial reporting purposes, the Agency is a component unit of the City and is thus included in the City's comprehensive annual financial report as a blended component unit. This report is not a complete presentation of the City of Melbourne.

B. GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

The Agency's basic financial statements are presented in two separate and distinct formats. These consist of government-wide financial statements and fund financial statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for services. The Agency does not have any business-type activities and has only governmental activities.

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the activities of the Agency.

The statement of net position, reports the assets and liabilities, including capital assets and long-term debt. Within this statement, the net position of the Agency (assets minus liabilities) is reported in two separate components – net investment in capital assets and restricted net position.

The statement of activities demonstrates the degree to which the direct expenses, including depreciation, are offset by program revenues and operating and capital grants. The statement then reports the extent to which the resulting net costs (gross expenses less directly-related program revenues and grants) are financed by general revenues of the Agency (i.e. taxes, interest income, etc.).

Fund financial statements report information at a higher level of detail, focusing on separate reporting of individual major funds, rather than consolidating financial data into the broad category of governmental activities.

The financial transactions of the Agency are reported in an individual fund within the City's accounting system. The fund is accounted for by providing a separate, self-balancing set of accounts comprised of the assets, liabilities, reserves, fund equity, revenues and expenditures of the fund. For purposes of this report, the Agency's fund is classified as a major governmental fund.

C. MEASUREMENT FOCUS, BASIS OF ACCOUNTING, AND FINANCIAL STATEMENT PRESENTATION

Basis of accounting refers to when revenues, expenditures or expenses are recognized and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

MELBOURNE DOWNTOWN COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Agency considers revenues to be available if they are collected within 60 days of the end of the current fiscal period, except for grants, for which the period is 12 months. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, are recorded only when payment is due.

When both restricted and unrestricted resources are available for use, it is the Agency's policy to use restricted resources first, followed by committed, assigned, and unassigned amounts when expenditures have been incurred for which resources in more than one classification could be used.

Interest associated with the current fiscal period is considered to be susceptible to accrual and has been recognized as revenue of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the government.

**D. ASSETS, DEFERRED OUTFLOWS, LIABILITIES, DEFERRED INFLOWS,
AND NET POSITION OR EQUITY**

1. Cash and Cash Equivalents/Investments

Cash and cash equivalents represent all investments which are short term, highly liquid, and readily convertible to a specified cash value. These investments generally have original maturities of three months or less. Cash equivalents consist of equity in pooled investments. Investments are stated at fair value, based on the quoted market price.

2. Pooled Cash

Equity in pooled cash consists primarily of investments in debt instruments of the federal government and corporate holdings. Investment earnings of the pool are allocated to the participating funds at the end of each month based on the ratio of each participant fund's investment to the total pooled investment. As of September 30, 2020, the Agency participated in pooled cash investments with the City of Melbourne.

3. Capital Assets

Capital assets, which include property, plant, equipment, intangibles, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported in the governmental activities column in the government-wide financial statements. Capital assets, other than equipment, are defined by the government as assets with an initial, individual cost of more than \$25,000 (amount not rounded) and an estimated useful life in excess of two years. Equipment is defined as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of two years. Such assets are recorded at historical cost, if purchased or constructed, and at acquisition value of market transaction at date of gift, if donated. Major additions are capitalized while maintenance and repairs which do not improve or materially extend the life of the respective assets are charged to expense. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Capital assets are depreciated or amortized using the straight-line method over the following average useful lives:

<u>Classification</u>	<u>Range of Lives</u>
Buildings	20-40 years
Improvements other than buildings	10-25 years
Machinery, equipment and other	2-20 years

MELBOURNE DOWNTOWN COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020

4. Long-Term Liabilities

Long-term liabilities expected to be financed from the Governmental fund are not accounted for in the Governmental fund. Expenditure recognition for Governmental fund types is limited to exclude amounts paid from non-current assets. Such long-term amounts are not recognized as Governmental fund type expenditures or fund liabilities but are incorporated into the governmental column in the Government-wide Statement of Net Position.

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the governmental activities statement of net position. Bond premiums and discounts are amortized over the life of the bonds. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are expensed as incurred.

E. FUND BALANCE

In the governmental fund, fund balances are reported as nonspendable if they are not in spendable form or are legally or contractually required to be maintained intact. In addition, fund balance is reported as restricted to specific purposes based upon the extent to which the Agency is bound to honor constraints placed on those funds.

Encumbrance accounting, under which purchase orders and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is utilized in the governmental fund. Encumbered amounts for specific purposes are reported within the applicable restricted, committed or assigned fund balance classifications.

Net position of the government-wide fund is categorized as net investment in capital assets; restricted or unrestricted. Net investment in capital assets consists of capital assets reduced by the outstanding debt issued to acquire, construct or improve those assets, less any unspent debt proceeds. Restricted net position has regulatory or third party limitations on its use.

The Agency applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

F. REVENUES

Intergovernmental Revenue -The Agency's primary source of revenue is tax increment funds collected from the City and Brevard County deposited into the Community Redevelopment Trust Fund. These entities levy ad valorem property taxes within the legally defined redevelopment area of the Agency. The tax increment revenue is calculated by applying the adopted millage rate to the increase in current year taxable assessed valuations within the designated CRA districts using the year in which they were established as the "base year". For example, if an unimproved property was valued at \$10,000 in the base year and a new house is built on the property tomorrow, the new value of the property is \$25,000. The incremental difference in value (new assessed value – base year value) is \$15,000. Taxes collected on the property will be split amongst the City and County. The Agency receives all taxes assessed on the incremental increase of \$15,000. Revenues generated by improvements in the Agency district are to be reinvested in the district to continue to spur redevelopment.

Assessed values are established by the Brevard County Property Appraiser. The assessed property value recognized by the City and Brevard County includes the second homestead exemption. The City and Brevard County are required to pay 95% of these incremental property taxes to the Agency on or before January 1 of each year, otherwise the full amount of the incremental revenue will be due.

Program Revenue - In the Government-wide Statement of Activities, revenue that is derived directly from the program itself or from outside sources, if restricted to a specific program, is called program revenue. Program revenue is classified as either operating grants or capital grants. Operating grant revenues come from other government entities to support the operation costs of particular functions and also from the earnings of

**MELBOURNE DOWNTOWN COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

permanent funds that are legally restricted to a particular function. Capital grants come from other government entities for the purpose of constructing or purchasing capital assets.

G. USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(2) STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

Budgetary Information

The Agency has elected to report budgetary comparisons as Required Supplementary Information (RSI). Please refer to the accompanying notes to the RSI for the Agency's budgetary information.

As of September 30, 2020, there were no material violations of budgetary requirements.

(3) DETAILED NOTES

A. DEPOSITS AND INVESTMENTS

Deposits –Banks and savings and loans must meet the criteria to be a qualified public depository as described in the Florida Security for Public Deposits Act in accordance with Chapter 280, Florida Statutes before any investment of public funds can be made with them. At September 30, 2020, the carrying amount of the City of Melbourne's deposits with banks was \$11,390,903 and the bank balance was \$11,137,590.

As of September 30, 2020, all of the City's interest bearing bank balances are covered by the Federal Depository Insurance Corporation (FDIC). Monies invested in amounts greater than the insurance coverage are secured by the qualified public depositories pledging securities with the State Treasurer in such amounts required by the Florida Security for Public Depositories Act. In the event of a default or insolvency of a qualified public depositor, the State Treasurer will implement procedures for payment of losses according to the validated claims of the City pursuant to Section 280.08, Florida Statutes.

The City maintains a pool of cash and investments in which each fund participates on a daily transaction basis. Investment earnings are distributed monthly based on average daily balances.

City daily deposits are deposited in Earnings Credit Rate (ECR) earning accounts. These accounts are fully collateralized in accordance with Florida state law

City of Melbourne Investment Policy – Pursuant to the requirements of Section 218.415, Florida Statutes, the City of Melbourne adopted Resolution No. 3511 on September 8, 2016, establishing the City's present investment policy. Such investment policy applies to the investment of surplus funds, which include cash and investment balances of the following funds of the City: General, Capital Projects, Special Revenue, Enterprise, Internal Service, Trust and Agency. The investment policy does not apply to the investment of principal, interest, reserve, construction, capitalized interest, and redemption or escrow accounts created by ordinance or resolution pursuant to the issuance of bonds where the investments are held by an authorized depository. This policy does not apply to funds not under control of the City; such as, the Police Officers' Retirement System, the Firefighters' Retirement System, and the General Employees' and Special Risk Class Employees' Pension Plan.

All investments are made based on reasonable research as to credit quality, liquidity and interest rate risk prior to the investment being acquired.

The investment policy authorizes the City to invest in U.S. Government securities, agencies, Federal instrumentalities and Supra-nationals, repurchase agreements, the Local Government Surplus Funds Trust Fund administered by the Florida State Board of Administration, interest bearing time deposits or savings accounts, commercial paper, corporate notes, bankers acceptances, and State or local government taxable or

MELBOURNE DOWNTOWN COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020

tax-exempt debt, and an intergovernmental investment pool. Overnight repurchase agreements restrict investments to obligations of U.S. Government Agencies and Federal instrumentalities.

The investment policy provides maturity and liquidity requirements for investments. All investments other than investments in the Local Government Surplus Funds Trust Fund are required to be purchased pursuant to competitive bids. A maximum of 25% of available funds may be invested in the Local Government Surplus Funds Trust Fund. The policy also requires diversification of the investment portfolio to control the risk of loss from overconcentration of assets in a specific maturity, issuer, instrument, dealer, savings and loan, or bank through which investments are purchased. Concentration of credit risk is the risk of loss attributed to the magnitude of a government's investment in a single issuer. The City's investment policy restricts portfolio composition for federal instrumentalities to 100% total, 40% individually. Concentration percentages for the Federal instrumentalities are provided in the schedule. Currently, the investment of a significant portion of the City's portfolios is being managed by the City's financial advisor, PFM Asset Management LLC.

Custodial credit risk for investments is the risk that, in the event of a failure of the counter party, the City will not be able to recover the value of the investment or collateral securities that are in the possession of an outside party. The City's investment policy states that all securities, with the exception of certificates of deposits, shall be held with a third party custodian; and all securities purchased by, and all collateral obtained by the City should be properly designated as an asset of the City. The third party custodian holds securities in an account separate and apart from the assets of the financial institution, and are either insured or registered in the City's or Airport's name.

The fair values of the City's fixed-maturity investments fluctuate in response to changes in market interest rates. Increases in prevailing interest rates generally translate into decreases in fair values of those instruments. Fair values of interest rate-sensitive instruments may be affected by the credit worthiness of the issuer, prepayment options, relative values of alternative investments, the liquidity of the instrument, and other general market conditions. As a means to limiting its exposure to fair value losses arising from rising interest rates, the City's investment policy limits its investment portfolio to maturities of less than 5.5 years for corporate notes, two years for time deposits, and 270 days for commercial paper.

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. As a means to limiting its exposure to credit risk, the City limits investments with credit quality ratings from nationally recognized rating agencies of:

- State and/or local government taxable and/or tax-exempt debt, general obligation and/or revenue bonds, rated at least "MIG 1/A3" by Moody's Investors Services and "SP-1/A-" by Standard & Poor's for long-term debt.
- Corporates and/or commercial paper of any United States company that is rated, at the time of purchase, "P-1" by Moody's and "A-1" by Standard & Poor's.
- Money Market Mutual Funds that are rated "AAA" by Standard & Poor's, or the equivalent by another rating agency.
- Local Government Surplus Funds Trust Fund money market funds that are rated "AAA" by Standard & Poor's, or the equivalent by another rating agency.
- The Agency's equity in pooled investments is all held in money market funds.

Governmental activities capital assets, net	<u>\$ 770,461</u>	<u>\$ (39,877)</u>	<u>\$ 1,350</u>	<u>\$ 729,234</u>

Depreciation/amortization expense was charged to functions/programs of the Agency as follows:

General government	<u>\$ 39,877</u>
Total depreciation/amortization expense - governmental activities	<u>\$ 39,877</u>

C. ENCUMBRANCE COMMITMENTS

At September 30, 2020, the Agency had encumbrance commitments in the Governmental fund in the amount of \$33,166.

D. INTERFUND TRANSACTIONS

Interfund transfers at September 30, 2020 are as follows:

	Primary Government (General Construction fund)	Agency	Total
Primary Government (General Construction fund)	\$ 3,750,000	\$ -	\$ 3,750,000
Agency	-	(3,750,000)	(3,750,000)
Total Transfers out	<u>\$ 3,750,000</u>	<u>\$ (3,750,000)</u>	<u>\$ -</u>

Significant transfers included \$2,400,000 from the Agency to the General Construction fund of the City (primary government) for the Highline Apartments project; \$1,275,000 for South Expansion Streetscape project.

**MELBOURNE DOWNTOWN COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

E. LONG-TERM LIABILITIES

1. Debt Service Requirements to Maturity

The annual requirements to amortize all bonded debt outstanding as of September 30, 2020 including interest requirements are described below.

Year Ending September 30,	Business-type Activities	
	Principal	Interest
2021	\$ -	\$ 53,863
2022	110,000	48,720
2023	115,000	46,487
2024	115,000	44,152
2025	120,000	41,818
2026-2030	630,000	171,840
2031-2035	695,000	105,255
2036-2039	615,000	31,567
	<u>\$ 2,400,000</u>	<u>\$ 543,702</u>

2. Pledged Revenues

Information on pledged revenues and principal and interest payments are as follows:

Pledged Revenue	Term	Future Principal and Interest	Current Pledged Revenue	Current Principal and Interest	Current Percentage of Revenue
Downtown CRA	2039	\$ 2,943,702	\$ 1,469,009	\$ -	0.00%
Total governmental activities		<u>\$ 2,943,702</u>	<u>\$ 1,469,009</u>	<u>\$ -</u>	

3. New Bond Issues

On July 23, 2020, the City issued Melbourne Downtown Community Redevelopment Agency Capital Improvement Revenue Note, Series 2020 in the principal amount of \$2,400,000 at an interest rate of 2.03%. These bonds were sold and proceeds provided to Highline Apartments, LLC as an economic incentive and inducement to the Developer after construction was completed.

4. Changes in Long-Term Liabilities

Long-term liability activity for the year ended September 30, 2020 was as follows:

	Balance October 1, 2019	Additions	Reductions	Balance September 30, 2020	Amounts Due Within One Year
Notes from direct					
borrowings	\$ -	\$ 2,400,000	\$ -	\$ 2,400,000	\$ -
Total governmental activities	<u>\$ -</u>	<u>\$ 2,400,000</u>	<u>\$ -</u>	<u>\$ 2,400,000</u>	<u>\$ -</u>

**MELBOURNE DOWNTOWN COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

The Agency's outstanding notes from direct borrowings related to governmental activities of \$2,400,000 are from the 2020 Downtown CRA Revenue Note. The 2020 Downtown CRA Note contains a provision that in the event of default, the bank is entitled to sue for payment and increase the interest rate by 3%.

(4) OTHER INFORMATION

A. CONTINGENCIES

In March 2020, the World Health Organization made the assessment that the outbreak of a novel coronavirus (COVID-19) can be characterized as a pandemic which is still going on. As a result, uncertainties have arisen that may have a significant negative impact on the operating activities and results of the Agency. The occurrence and extent of such an impact will depend on future developments, including: (i) the duration and spread of the virus, (ii) government quarantine measures, (iii) voluntary and precautionary restrictions on travel or meetings, (iv) the effects on the financial markets, and (v) the effects on the economy overall, all of which are uncertain.

B. SUBSEQUENT EVENTS

On November 4, 2020, \$2,400,000 was disbursed to Highline Apartments per the agreement.

On November 10, 2020, the Agency approved a grant funding agreement for FY 2020-2021 with Melbourne Main Street for \$87,500.

On January 26, 2021, the Agency approved a reimbursement grant for façade improvements at 1515 S. Harbor City Boulevard for \$20,000.

On February 9, 2021, the Agency approved Resolution 3990 adjusting the appropriation of the fund balance.

**MELBOURNE DOWNTOWN COMMUNITY REDEVELOPMENT AGENCY
REQUIRED SUPPLEMENTARY INFORMATION
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

BUDGETARY NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

The City Council typically adopts an annual budget for the Agency. The budget is prepared on a modified accrual basis with encumbrance accounting. Budgetary control is legally maintained at the fund level. Budget transfer authority is provided to the City Manager within a fund as long as the total budget of the fund is not increased. City Council action is required for the approval of a supplemental budget.

Supplemental appropriations were made during the year and all budget amounts presented in the accompanying Schedule of Revenues, Expenditures and Changes in Fund Balance have been adjusted for legally authorized revisions of the annual budget. All appropriations which are not expended, encumbered, or committed lapse at year end. Encumbered appropriations are carried forward to the subsequent year's budget.

Encumbrance accounting, under which purchase orders are recorded in order to reserve that portion of the applicable appropriation, is employed as an extension of formal budgetary integration. Encumbrances outstanding at year end are carried forward to the next year's budget and are reported as restricted or assigned fund balance in the governmental fund financial statements since they do not constitute actual expenditures or liabilities.

Actual results of operations are presented in accordance with generally accepted accounting principles (GAAP basis) and the City's accounting policies do not recognize encumbrances as expenditures until the period in which the actual goods or services are received and a liability is incurred. It is necessary to include budgetary encumbrances to reflect actual revenues and expenditures on a basis consistent with the City's legally adopted budget.

**MELBOURNE DOWNTOWN COMMUNITY REDEVELOPMENT AGENCY
REQUIRED SUPPLEMENTARY INFORMATION
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

A – Explanation of Differences between Budgetary Inflows and Outflows and GAAP Revenues and Expenditures

Revenues

Actual amounts (budgetary basis) of total revenues as reported on the statement of revenues, expenditures and changes in fund balances - budget and actual equal total revenues as reported on the statement of revenues, expenditures, and changes in fund balance.

Expenditures

Actual amounts (budgetary basis) "total expenditures" as reported on the statement of revenues, expenditures and changes in fund balance - budget and actual

\$ 748,128

Differences - budget to GAAP:

Encumbrances for professional services, supplies and equipment ordered but not received are reported in the year the order is placed for *budgetary* purposes, but in the year the supplies and services are received for

financial reporting purposes.

(33,166)

Total expenditures are reported on the statement of revenues, expenditures, and changes in fund balance.

\$ 714,962

B – Explanation of Differences between Budgetary Inflows and Outflows and GAAP Revenues and Expenditures

The budgetary schedules present comparisons of the legally adopted budget with actual data on a budgetary basis. Since accounting principles applied for purposes of developing data on a budgetary basis differ significantly from those used to present financial statements in conformity with generally accepted accounting principles, a reconciliation of the resultant timing differences in the excess (deficiency) of revenues over (under) expenditures and other financing sources (uses) (Budgetary Basis) as compared to the excess (deficiency) of revenues over (under) expenditures and other financing sources (uses) (GAAP Basis) for the year ended September 30, 2020 is presented in the following table:

Excess (deficiency) of revenues over (under) expenditures and other financing sources (uses) (Budgetary Basis)

\$ (664,119)

Adjustments:

Encumbrances

33,166

Excess (deficiency) of revenues over (under) expenditures and other financing sources (uses) (GAAP Basis)

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable Mayor and Members of the City Council
Melbourne Downtown Community Redevelopment Agency

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Melbourne Downtown Community Redevelopment Agency, as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the Melbourne Downtown Community Redevelopment Agency's basic financial statements, and have issued our report thereon dated March 9, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Melbourne Downtown Community Redevelopment Agency's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Melbourne Downtown Community Redevelopment Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Melbourne Downtown Community Redevelopment Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Melbourne Downtown Community Redevelopment Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' MANAGEMENT LETTER

To the Honorable Mayor and Members of City Council
Melbourne Downtown Community Redevelopment Agency

Report on the Financial Statements

We have audited the financial statements of the Melbourne Downtown Community Redevelopment Agency, as of and for the fiscal year ended September 30, 2020, and have issued our report thereon dated March 9, 2021.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated March 9, 2021, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)4., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding audit report. However, no recommendations were made in the preceding audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The legal authorities for the Melbourne Downtown Community Redevelopment Agency are disclosed in the footnotes. The Melbourne Downtown Community Redevelopment Agency has not component units.

Financial Condition and Management

Section 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require that we apply appropriate procedures and communicate the results of our determination as to whether or not the Melbourne Downtown Community Redevelopment Agency has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify of the specific condition(s) met. In connection with our audit, we determined that the Melbourne Downtown Community Redevelopment Agency did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.c. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the Melbourne Downtown Community Redevelopment Agency. It is management's responsibility to monitor the Melbourne Downtown Community Redevelopment Agency's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Council members and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTION 163.387(6) AND SECTION 163.387(7), FLORIDA STATUTES

To the Honorable Mayor and Members of City Council
Melbourne Downtown Community Redevelopment Agency

We have examined the Melbourne Downtown Community Redevelopment Agency's (the "Agency") compliance with the requirements of Section 163.387(6) and Section 163.387(7), Florida Statutes, *Redevelopment Trust Fund*, during the year ended September 30, 2020. Management is responsible for the Agency's compliance with the specified requirements. Our responsibility is to express an opinion on the Agency's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Agency complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Agency complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Agency's compliance with specified requirements.

In our opinion, the Agency complied, in all material respects, with the requirements of Section 163.387(6) and Section 163.387(7), Florida Statutes, *Redevelopment Trust Fund*, for the year ended September 30, 2020.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.

Carr, Riggs & Ingram, L.L.C.

Melbourne, Florida
March 9, 2021

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

To the Honorable Mayor and Members of City Council
City of Melbourne, Florida

We have examined the Melbourne Downtown Community Redevelopment Agency's (the "Agency") compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2020. Management is responsible for the Agency's compliance with the specified requirements. Our responsibility is to express an opinion on the Agency's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Agency complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Agency complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Agency's compliance with specified requirements.

In our opinion, the Agency complied, in all material respects, with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, for the year ended September 30, 2020.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

Honorable Mayor and Members of the City Council
Olde Eau Gallie Community Redevelopment Agency

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and major fund of the Olde Eau Gallie Community Redevelopment Agency, as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the Olde Eau Gallie Community Redevelopment Agency's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and major fund of the Olde Eau Gallie Community Redevelopment Agency as of September 30, 2020, and the respective changes in financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information and other required supplementary information on pages 4-7, and pages 21-23 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Olde Eau Gallie Community Redevelopment Agency's basic financial statements. The project revenues and expenditures schedule is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The project revenues and expenditures schedule is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United

Honorable Mayor and Members of the City Council
Olde Eau Gallie Community Redevelopment Agency
Page Three

States of America. In our opinion, the project revenues and expenditures schedule is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 9, 2021 on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

**OLDE EAU GALLIE RIVERFRONT COMMUNITY REDEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

The Management's Discussion and Analysis section provides a narrative overview of the Olde Eau Gallie Riverfront Community Redevelopment Agency (the "Agency") financial activities for fiscal year ending September 30, 2020. This discussion is broken down into three components:

- An overview of the Agency.
- A brief overview of the financial statements, including how they relate to each other and the significant differences in information they provide.
- A concise, condensed financial report that summarizes the results of operations and a narrative financial analysis of the Agency's overall financial condition and results of operations, supported by additional consolidated information about specific services provided by the Agency.

Overview

The purpose of the Olde Eau Gallie Riverfront Community Redevelopment Agency is to eliminate slum and blighted conditions within the identified redevelopment area pursuant to the redevelopment plans of the Agency.

The Agency's primary source of revenue is tax increment funds. The revenue is computed by applying the operating tax rate for the City of Melbourne (the "City") and Brevard County (the "County"), multiplied by the increased value of the property located within the boundaries of the redevelopment areas of the Agency, over the base property value, minus 5% for early payment. The City and County are required to fund this amount annually without regard to tax collections or other obligations.

Further, the governing body of the Olde Eau Gallie Riverfront Community Redevelopment Agency is the Melbourne City Council who make decisions on which programs and projects to fund, based on the adopted CRA plan. To review projects and programs and make recommendations, the Redevelopment Agency Board has appointed members to the Olde Eau Gallie Riverfront Redevelopment Advisory Committee.

The Agency was established in 2001, by the City of Melbourne, Florida under the provisions of Section 163.333 Florida Statutes.

Overview of the Financial Statements

The discussion and analysis are intended to serve as an introduction to the Agency's basic financial statements. The Agency's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. The report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The *government-wide financial statements* are designed to provide readers with a broad overview of the Agency's finances, in a manner similar to a private-sector business.

The *statement of net position* presents information on all of the Agency's assets and liabilities with the difference reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Agency is improving or deteriorating.

The *statement of activities* presents information showing how the Agency's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., bond principal and interest payments).

The government-wide financial statements can be found on pages 8-9 of this report.

Fund financial statements. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Agency uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

**OLDE EAU GALLIE RIVERFRONT COMMUNITY REDEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

Governmental funds. *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the Agency's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The Agency adopts an annual appropriated budget. A budgetary comparison statement has been provided as part of Required Supplementary Information, to demonstrate compliance with this budget.

The basic governmental fund financial statements can be found on pages 10-13 of this report.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 14-20 of this report.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain *required supplementary information* concerning the Agency's budget. Required supplementary information (RSI) can be found on pages 21-23 of this report.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the Agency, assets exceeded liabilities by \$1,104,268.

The net investment in capital assets is 47% of the net position. These assets are not available for future spending. The restricted net position represent resources that are subject to restrictions on how the money can be spent.

**OLDE EAU GALLIE RIVERFRONT COMMUNITY REDEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

Statement of Net Position

	Governmental Activities		Increase (Decrease)
	2020	2019	Amount
Assets			
Current and other assets	\$ 592,704	\$ 552,777	\$ 39,927
Capital assets	514,630	532,671	(18,041)

**OLDE EAU GALLIE RIVERFRONT COMMUNITY REDEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

Key elements of the increase in net position are as follows:

Changes in Net Position

	Governmental Activities		Increase (Decrease)	
	2020	2019	Amount	Percent
Revenue				
Program revenue:				
Charges for services	\$ -	\$ 15,000	\$ (15,000)	-100%
Operating grants and contributions	544,126	450,170	93,956	21%
General revenue:				
Investment earnings	25,028	18,076	6,952	38%
Total revenues	569,154	483,246	85,908	18%
Expenses:				
General government	177,189	173,268	3,921	2%
Interest on long-term debt	620	2,003	(1,383)	-69%
Total expenses	177,809	175,271	2,538	1%
Change in net position fund and transfers	391,345	307,975	83,370	27%
Transfers to primary government	(350,000)	(325,000)	(25,000)	8%
Change in net position	41,345	(17,025)	58,370	-343%
Net position - October 1	1,062,923	1,079,948	(17,025)	-2%
Net position - September 30	\$ 1,104,268	\$ 1,062,923	\$ 41,345	4%

Financial Analysis of the Agency's Funds

As noted earlier, the Agency uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental fund. The focus of the Agency's *governmental fund* is to provide information on near-term inflows, outflows, and balances of *spendable* resources. Such information is useful in assessing the Agency's financing requirements.

As of the end of the fiscal year, the Agency's governmental fund reported a combined ending fund balance of \$589,638, an increase of \$59,386 in comparison with the prior year due to higher incremental tax revenues.

Budgetary Highlights

The following is a brief review of the budget changes from the original to the final amended budget, and a review of the final amended budget and actual amounts (presented on a budgetary basis). A detailed budgetary comparison schedule for the Agency is included on page 21 of the RSI section.

The variance between the final budget and the actual results reflects total revenues exceeding budget by \$8,799, and total expenditures and transfers out of \$50,478 less than appropriated. These factors caused the change in fund balance to be \$59,277 higher than budgeted.

**OLDE EAU GALLIE RIVERFRONT COMMUNITY REDEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

Capital Asset and Debt Administration

Capital assets. The Agency's capital assets for governmental activities as of September 30, 2020 total \$514,630 (net of accumulated depreciation). The capital assets include land and improvements other than buildings.

Capital Assets

	Governmental Activities	
	2020	2019
Land	\$ 480,050	\$ 480,050
Improvements other than buildings	34,580	52,621
Total capital assets, net of depreciation/amortization	<u>\$ 514,630</u>	<u>\$ 532,671</u>

Additional information on the Agency's capital assets can be found in Note (3) B on pages 19 of this report.

Long-term debt. At the end of the current fiscal year, the Agency had no debt outstanding.

**OLDE EAU GALLIE RIVERFRONT COMMUNITY REDEVELOPMENT
 AGENCY RECONCILIATION OF THE STATEMENT OF REVENUES,
 EXPENDITURES AND CHANGE IN THE FUND BALANCE OF THE
 GOVERNMENTAL FUND TO THE STATEMENT OF ACTIVITIES
 FOR THE YEAR ENDED SEPTEMBER 30, 2020**

Net change in <i>fund balance</i> - governmental fund	\$ 59,386
---	-----------

The change in *net position* reported for governmental activities in the statement of activities is different because:

The governmental fund reports capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation and amortization expense. This is the amount by which capital outlay exceeded depreciation and amortization in the current period.

Depreciation and amortization expense	<u>(18,041)</u>
---------------------------------------	-----------------

Change in net position of governmental activities	<u>\$ 41,345</u>
---	------------------

The accompanying notes are an integral part of this statement.

**OLDE EAU GALLIE RIVERFRONT COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Olde Eau Gallie Riverfront Community Redevelopment Agency's (the "Agency") financial statements are prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the standard-setting body for governmental accounting and financial reporting. The GASB periodically updates its codification of the existing Governmental Accounting and Financial Reporting Standards which, along with subsequent GASB pronouncements (Statements and Interpretations), constitutes GAAP for governmental units.

A. REPORTING ENTITY

The Olde Eau Gallie Riverfront Community Redevelopment Agency was established in 2001 by the City of Melbourne, Florida (the "City") under the provisions of Section 163.333, Florida Statutes.

The governing body of the Olde Eau Gallie Riverfront Community Redevelopment Agency is the Melbourne City Council who make decisions on which programs and projects to fund, based on the adopted CRA plan. To review projects and programs and make recommendations, the Redevelopment Agency Board has appointed members to the Olde Eau Gallie Riverfront Redevelopment Advisory Committee.

For financial reporting purposes, the Agency is a component unit of the City and is thus included in the City's comprehensive annual financial report as a blended component unit. This report is not a complete presentation of the City of Melbourne.

B. GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

The Agency's basic financial statements are presented in two separate and distinct formats. These consist of government-wide financial statements and fund financial statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for services. The Agency does not have any business-type activities and has only governmental activities.

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the activities of the Agency.

The statement of net position, reports the assets and liabilities, including capital assets and long-term debt. Within this statement, the net position of the Agency (assets minus liabilities) is reported in two separate components – net investment in capital assets and restricted net position.

The statement of activities demonstrates the degree to which the direct expenses, including depreciation, are offset by program revenues and operating and capital grants. The statement then reports the extent to which the resulting net costs (gross expenses less directly-related program revenues and grants) are financed by general revenues of the Agency (i.e. taxes, interest income, etc.).

Fund financial statements report information at a higher level of detail, focusing on separate reporting of individual major funds, rather than consolidating financial data into the broad category of governmental activities.

The financial transactions of the Agency are reported in an individual fund within the City's accounting system. The fund is accounted for by providing a separate, self-balancing set of accounts comprised of the assets, liabilities, reserves, fund equity, revenues and expenditures of the fund. For purposes of this report, the Agency's fund is classified as a major governmental fund.

C. MEASUREMENT FOCUS, BASIS OF ACCOUNTING, AND FINANCIAL STATEMENT PRESENTATION

Basis of accounting refers to when revenues, expenditures or expenses are recognized and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

**OLDE EAU GALLIE RIVERFRONT COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Agency considers revenues to be available if they are collected within 60 days of the end of the current fiscal period, except for grants, for which the period is 12 months. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, are recorded only when payment is due.

When both restricted and unrestricted resources are available for use, it is the Agency's policy to use restricted resources first, followed by committed, assigned, and unassigned amounts when expenditures have been incurred for which resources in more than one classification could be used.

Interest associated with the current fiscal period is considered to be susceptible to accrual and has been recognized as revenue of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the government.

**D. ASSETS, DEFERRED OUTFLOWS, LIABILITIES, DEFERRED INFLOWS,
AND NET POSITION OR EQUITY**

1. Cash and Cash Equivalents/Investments

Cash and cash equivalents represent all investments which are short term, highly liquid, and readily convertible to a specified cash value. These investments generally have original maturities of three months or less. Cash equivalents consist of equity in pooled investments. Investments are stated at fair value, based on the quoted market price.

2. Pooled Cash

Equity in pooled cash consists primarily of investments in debt instruments of the federal government and corporate holdings. Investment earnings of the pool are allocated to the participating funds at the end of each month based on the ratio of each participant fund's investment to the total pooled investment. As of September 30, 2020, the Agency participated in pooled cash investments with the City of Melbourne.

3. Capital Assets

Capital assets, which include property, plant, equipment, intangibles, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported in the governmental activities column in the government-wide financial statements. Capital assets, other than equipment, are defined by the government as assets with an initial, individual cost of more than \$25,000 (amount not rounded) and an estimated useful life in excess of two years. Equipment is defined as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of two years. Such assets are recorded at historical cost, if purchased or constructed, and at acquisition value of market transaction at date of gift, if donated. Major additions are capitalized while maintenance and repairs which do not improve or materially extend the life of the respective assets are charged to expense. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Capital assets are depreciated or amortized using the straight-line method over the following average useful lives:

<u>Classification</u>	<u>Range of Lives</u>
Buildings	20-40 years
Improvements other than buildings	10-25 years

OLDE EAU GALLIE RIVERFRONT COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020

E. FUND BALANCE

In the governmental fund, fund balances are reported as nonspendable if they are not in spendable form or are legally or contractually required to be maintained intact. In addition, fund balance is reported as restricted to specific purposes based upon the extent to which the Agency is bound to honor constraints placed on those funds.

Encumbrance accounting, under which purchase orders and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is utilized in the governmental fund. Encumbered amounts for specific purposes are reported within the applicable restricted, committed or assigned fund balance classifications.

Net position of the government-wide fund is categorized as net investment in capital assets; restricted or unrestricted. Net investment in capital assets consists of capital assets reduced by the outstanding debt issued to acquire, construct or improve those assets, less any unspent debt proceeds. Restricted net position has regulatory or third party limitations on its use.

The Agency applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

F. REVENUES

Intergovernmental Revenue -The Agency's primary source of revenue is tax increment funds collected from the City and Brevard County deposited into the Community Redevelopment Trust Fund. These entities levy ad valorem property taxes within the legally defined redevelopment area of the Agency. The tax increment revenue is calculated by applying the adopted millage rate to the increase in current year taxable assessed valuations within the designated CRA districts using the year in which they were established as the "base year". For example, if an unimproved property was valued at \$10,000 in the base year and a new house is built on the property tomorrow, the new value of the property is \$25,000. The incremental difference in value (new assessed value – base year value) is \$15,000. Taxes collected on the property will be split amongst the City and County. The Agency receives all taxes assessed on the incremental increase of \$15,000. Revenues generated by improvements in the Agency district are to be reinvested in the district to continue to spur redevelopment.

Assessed values are established by the Brevard County Property Appraiser. The assessed property value recognized by the City and Brevard County includes the second homestead exemption. The City and Brevard County are required to pay 95% of these incremental property taxes to the Agency on or before January 1 of each year, otherwise the full amount of the incremental revenue will be due.

Program Revenue - In the Government-wide Statement of Activities, revenue that is derived directly from the program itself or from outside sources, if restricted to a specific program, is called program revenue. Program revenue is classified as either operating grants or capital grants. Operating grant revenues come from other government entities to support the operation costs of particular functions and also from the earnings of permanent funds that are legally restricted to a particular function. Capital grants come from other government entities for the purpose of constructing or purchasing capital assets.

G. USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**OLDE EAU GALLIE RIVERFRONT COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

(2) STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

Budgetary Information

The Agency has elected to report budgetary comparisons as Required Supplementary Information (RSI). Please refer to the accompanying notes to the RSI for the Agency's budgetary information.

As of September 30, 2020, there were no material violations of budgetary requirements.

(3) DETAILED NOTES

A. DEPOSITS AND INVESTMENTS

Deposits –Banks and savings and loans must meet the criteria to be a qualified public depository as described in the Florida Security for Public Deposits Act in accordance with Chapter 280, Florida Statutes before any investment of public funds can be made with them. At September 30, 2020, the carrying amount of the City of Melbourne's deposits with banks was \$11,390,903 and the bank balance was \$11,137,590.

As of September 30, 2020, all of the City's interest bearing bank balances are covered by the Federal Depository Insurance Corporation (FDIC). Monies invested in amounts greater than the insurance coverage are secured by the qualified public depositories pledging securities with the State Treasurer in such amounts required by the Florida Security for Public Depositories Act. In the event of a default or insolvency of a qualified public depositor, the State Treasurer will implement procedures for payment of losses according to the validated claims of the City pursuant to Section 280.08, Florida Statutes.

The City maintains a pool of cash and investments in which each fund participates on a daily transaction basis. Investment earnings are distributed monthly based on average daily balances.

City daily deposits are deposited in Earnings Credit Rate (ECR) earning accounts. These accounts are fully collateralized in accordance with Florida state law.

City of Melbourne Investment Policy – Pursuant to the requirements of Section 218.415, Florida Statutes, the City of Melbourne adopted Resolution No. 3511 on September 8, 2016, establishing the City's present investment policy. Such investment policy applies to the investment of surplus funds, which include cash and investment balances of the following funds of the City: General, Capital Projects, Special Revenue, Enterprise, Internal Service, Trust and Agency, and Airport. The investment policy does not apply to the investment of principal, interest, reserve, construction, capitalized interest, and redemption or escrow accounts created by ordinance or resolution pursuant to the issuance of bonds where the investments are held by an authorized depository. This policy does not apply to funds not under control of the City; such as, the Police Officers' Retirement System, the Firefighters' Retirement System, and the General Employees' and Special Risk Class Employees' Pension Plan.

All investments are made based on reasonable research as to credit quality, liquidity and interest rate risk prior to the investment being acquired.

The investment policy authorizes the City to invest in U.S. Government securities, agencies, Federal instrumentalities and Supra-nationals, repurchase agreements, the Local Government Surplus Funds Trust Fund administered by the Florida State Board of Administration, interest bearing time deposits or savings accounts, commercial paper, corporate notes, bankers acceptances, and State or local government taxable or tax-exempt debt, and an intergovernmental investment pool. Overnight repurchase agreements restrict investments to obligations of U.S. Government Agencies and Federal instrumentalities.

The investment policy provides maturity and liquidity requirements for investments. All investments other than investments in the Local Government Surplus Funds Trust Fund are required to be purchased pursuant to competitive bids. A maximum of 25% of available funds may be invested in the Local Government Surplus Funds Trust Fund. The policy also requires diversification of the investment portfolio to control the risk of loss from overconcentration of assets in a specific maturity, issuer, instrument, dealer, savings and loan, or bank through which investments are purchased. Concentration of credit risk is the risk of loss attributed to the

OLDE EAU GALLIE RIVERFRONT COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020

magnitude of a government's investment in a single issuer. The City's investment policy restricts portfolio composition for federal instrumentalities to 100% total, 40% individually. Concentration percentages for the Federal instrumentalities are provided in the schedule. Currently, the investment of a significant portion of the City's and Airport's portfolios is being managed by the City's financial advisor, PFM Asset Management LLC.

Custodial credit risk for investments is the risk that, in the event of a failure of the counter party, the City will not be able to recover the value of the investment or collateral securities that are in the possession of an outside party. The City's investment policy states that all securities, with the exception of certificates of deposits, shall be held with a third party custodian; and all securities purchased by, and all collateral obtained by the City should be properly designated as an asset of the City. The third party custodian holds securities in an account separate and apart from the assets of the financial institution, and are either insured or registered in the City's or Airport's name.

The fair values of the City's fixed-maturity investments fluctuate in response to changes in market interest rates. Increases in prevailing interest rates generally translate into decreases in fair values of those instruments. Fair values of interest rate-sensitive instruments may be affected by the credit worthiness of the issuer, prepayment options, relative values of alternative investments, the liquidity of the instrument, and other general market conditions. As a means to limiting its exposure to fair value losses arising from rising interest rates, the City's investment policy limits its investment portfolio to maturities of less than 5.5 years for corporate notes, two years for time deposits, and 270 days for commercial paper.

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. As a means to limiting its exposure to credit risk, the City limits investments with credit quality ratings from nationally recognized rating agencies of:

- State and/or local government taxable and/or tax-exempt debt, general obligation and/or revenue bonds, rated at least "MIG 1/A3" by Moody's Investors Services and "SP-1/A-" by Standard & Poor's for long-term debt.
- Corporates and/or commercial paper of any United States company that is rated, at the time of purchase, "P-1" by Moody's and "A-1" by Standard & Poor's.
- Money Market Mutual Funds that are rated "AAA" by Standard & Poor's, or the equivalent by another rating agency.
- Local Government Surplus Funds Trust Fund money market funds that are rated "AAA" by Standard & Poor's, or the equivalent by another rating agency.
- The Agency's equity in pooled investments is all in the money market funds.

**OLDE EAU GALLIE RIVERFRONT COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

B. CAPITAL ASSETS

Capital asset activity for the year ended September 30, 2020 was as follows:

	Balance October 1, 2019	Additions	Deletions	Balance September 30, 2020
Capital assets, not being depreciated/amortized:				
Land	\$ 480,050	-	-	\$ 480,050
Total capital assets, not being depreciated/amortized	480,050	-	-	480,050
Capital assets, being depreciated/amortized:				
Improvements other than buildings	327,353	-	-	327,353
Total capital assets, being depreciated/amortized	327,353	-	-	327,353
Less accumulated depreciation/amortization:				
Improvements other than buildings	274,732	18,041	-	292,773
Total accumulated depreciation/amortization	274,732	18,041	-	292,773
Total capital assets, being depreciated/amortized, net	52,621	(18,041)	-	34,580
Governmental activities capital assets, net	<u>\$ 532,671</u>	<u>\$ (18,041)</u>	<u>\$ -</u>	<u>\$ 514,630</u>

Depreciation/amortization expense was charged to functions/programs of the Agency as follows:

General government	<u>\$ 18,041</u>
Total depreciation/amortization expense - governmental activities	<u>\$ 18,041</u>

C. ENCUMBRANCE COMMITMENTS

At September 30, 2020, the Agency had encumbrance commitments in the Governmental fund in the amount of \$109.

D. INTERFUND TRANSACTIONS

Interfund transfers at September 30, 2020 are as follows:

	Primary Government (General Construction fund)	Agency	Total
Primary Government (General Construction fund)	\$ 350,000	\$ -	\$ 350,000
Agency	-	(350,000)	(350,000)
Total Transfers out	<u>\$ 350,000</u>	<u>\$ (350,000)</u>	<u>\$ -</u>

Significant transfers included \$375,000 from the Agency to the General Construction fund of the City (primary government) for the Eau Gallie lighting project offset by a \$25,000 reduction in the On Street Parking project.

**OLDE EAU GALLIE RIVERFRONT COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

(4) OTHER INFORMATION

A. CONTINGENCIES

In March 2020, the World Health Organization made the assessment that the outbreak of a novel coronavirus (COVID-19) can be characterized as a pandemic which is still going on. As a result, uncertainties have arisen that may have a significant negative impact on the operating activities and results of the Agency. The occurrence and extent of such an impact will depend on future developments, including: (i) the duration and spread of the virus, (ii) government quarantine measures, (iii) voluntary and precautionary restrictions on travel or meetings, (iv) the effects on the financial markets, and (v) the effects on the economy overall, all of which are uncertain.

B. SUBSEQUENT EVENTS

On November 10, 2020, the Agency approved a grant funding agreement for FY 2020-2021 with the Eau Gallie Art District Main Street for \$55,000.

On February 9, 2021, the Agency approved Resolution 3992 adjusting the appropriation of the fund balance.

**OLDE EAU GALLIE RIVERFRONT COMMUNITY REDEVELOPMENT AGENCY
REQUIRED SUPPLEMENTARY INFORMATION
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

BUDGETARY NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

The City Council typically adopts an annual budget for the Agency. The budget is prepared on a modified accrual basis with encumbrance accounting. Budgetary control is legally maintained at the fund level. Budget transfer authority is provided to the City Manager within a fund as long as the total budget of the fund is not increased. City Council action is required for the approval of a supplemental budget.

Supplemental appropriations were made during the year and all budget amounts presented in the accompanying Schedule of Revenues, Expenditures and Changes in Fund Balance have been adjusted for legally authorized revisions of the annual budget. All appropriations which are not expended, encumbered, or committed lapse at year end. Encumbered appropriations are carried forward to the subsequent year's budget.

Encumbrance accounting, under which purchase orders are recorded in order to reserve that portion of the applicable appropriation, is employed as an extension of formal budgetary integration. Encumbrances outstanding at year end are carried forward to the next year's budget and are reported as restricted or assigned fund balance in the governmental fund financial statements since they do not constitute actual expenditures or liabilities.

Actual results of operations are presented in accordance with generally accepted accounting principles (GAAP basis) and the City's accounting policies do not recognize encumbrances as expenditures until the period in which the actual goods or services are received and a liability is incurred. It is necessary to include budgetary encumbrances to reflect actual revenues and expenditures on a basis consistent with the City's legally adopted budget.

**OLDE EAU GALLIE RIVERFRONT COMMUNITY REDEVELOPMENT AGENCY
REQUIRED SUPPLEMENTARY INFORMATION
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

A – Explanation of Differences between Budgetary Inflows and Outflows and GAAP Revenues and Expenditures

Revenues

Actual amounts (budgetary basis) of total revenues as reported on the statement of revenues, expenditures and changes in fund balances - budget and actual equal total revenues as reported on the statement of revenues, expenditures, and changes in fund balance.

Expenditures

Actual amounts (budgetary basis) "total expenditures" as reported on the statement of revenues, expenditures and changes in fund balance - budget and actual

\$ 159,877

Differences - budget to GAAP:

Encumbrances for professional services, supplies and equipment ordered but not received are reported in the year the order is placed for *budgetary* purposes, but in the year the supplies and services are received for

financial reporting purposes.

(109)

Total expenditures are reported on the statement of revenues, expenditures, and changes in fund balance.

\$ 159,768

B – Explanation of Differences between Budgetary Inflows and Outflows and GAAP Revenues and Expenditures

The budgetary schedules present comparisons of the legally adopted budget with actual data on a budgetary basis. Since accounting principles applied for purposes of developing data on a budgetary basis differ significantly from those used to present financial statements in conformity with generally accepted accounting principles, a reconciliation of the resultant timing differences in the excess (deficiency) of revenues over (under) expenditures and other financing sources (uses) (Budgetary Basis) as compared to the excess (deficiency) of revenues over (under) expenditures and other financing sources (uses) (GAAP Basis) for the year ended September 30, 2020 is presented in the following table:

Excess (deficiency) of revenues over (under) expenditures and other financing sources (uses) (Budgetary Basis)

\$ 59,277

Adjustments:

Encumbrances

109

Excess (deficiency) of revenues over (under) expenditures and other financing sources (uses) (GAAP Basis)

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable Mayor and Members of the City Council
Olde Eau Gallie Community Redevelopment Agency

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of of the Olde Eau Gallie Community Redevelopment Agency, as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the Olde Eau Gallie Community Redevelopment Agency's basic financial statements, and have issued our report thereon dated March 9, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Olde Eau Gallie Community Redevelopment Agency's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Olde Eau Gallie Community Redevelopment Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Olde Eau Gallie Community Redevelopment Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Olde Eau Gallie Community Redevelopment Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' MANAGEMENT LETTER

To the Honorable Mayor and Members of City Council
Olde Eau Gallie Community Redevelopment Agency

Report on the Financial Statements

We have audited the financial statements of the Olde Eau Gallie Community Redevelopment Agency, as of and for the fiscal year ended September 30, 2020, and have issued our report thereon dated March 9, 2021.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated March 9, 2021, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)4., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding audit report. However, no recommendations were made in the preceding audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The legal authorities for the Olde Eau Gallie Community Redevelopment Agency are disclosed in the footnotes. The Olde Eau Gallie Community Redevelopment Agency has no component units.

Financial Condition and Management

Section 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require that we apply appropriate procedures and communicate the results of our determination as to whether or not the Olde Eau Gallie Community Redevelopment Agency has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify of the specific condition(s) met. In connection with our audit, we determined that the Olde Eau Gallie Community Redevelopment Agency did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.c. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the Olde Eau Gallie Community Redevelopment Agency. It is management's responsibility to monitor the Olde Eau Gallie Community Redevelopment Agency's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Council members and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTION 163.387(6) AND SECTION 163.387(7), FLORIDA STATUTES

To the Honorable Mayor and Members of City Council
Olde Eau Gallie Community Redevelopment Agency

We have examined the Olde Eau Gallie Community Redevelopment Agency's (the "Agency") compliance with the requirements of Section 163.387(6) and Section 163.387(7), Florida Statutes, *Redevelopment Trust Fund*, during the year ended September 30, 2020. Management is responsible for the Agency's compliance with the specified requirements. Our responsibility is to express an opinion on the Agency's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Agency complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Agency complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Agency's compliance with specified requirements.

In our opinion, the Agency complied, in all material respects, with the requirements of Section 163.387(6) and Section 163.387(7), Florida Statutes, *Redevelopment Trust Fund*, for the year ended September 30, 2020.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.

Carr, Riggs & Ingram, L.L.C.

Melbourne, Florida
March 9, 2021

DEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

To the Honorable Mayor and Members of City Council
City of Melbourne, Florida

We have examined Olde Eau Gallie Community Redevelopment Agency's (the "Agency") compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2020. Management is responsible for the Agency's compliance with the specified requirements. Our responsibility is to express an opinion on the Agency's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Agency complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Agency complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Agency's compliance with specified requirements.

In our opinion, the Agency complied, in all material respects, with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, for the year ended September 30, 2020.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.

Babcock Street Community Redevelopment Agency

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and major fund of the Babcock Street Community Redevelopment Agency, as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the Babcock Street Community Redevelopment Agency's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and major fund of the Babcock Street Community Redevelopment Agency as of September 30, 2020, and the respective changes in financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, and budgetary comparison information on pages 4-7, and pages 21-23 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Babcock Street Community Redevelopment Agency's basic financial statements. The project revenues and expenditures schedule is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The project revenues and expenditures schedule is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United

Honorable Mayor and Members of the City Council
Babcock Street Community Redevelopment Agency
Page Three

States of America. In our opinion, the project revenues and expenditures schedule is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 9, 2021 on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

Cary Riggs & Ingram, L.L.C.

**BABCOCK STREET COMMUNITY REDEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

The Management's Discussion and Analysis section provides a narrative overview of the Babcock Street Community Redevelopment Agency (the "Agency") financial activities for fiscal year ending September 30, 2020. This discussion is broken down into three components:

- An overview of the Agency.
- A brief overview of the financial statements, including how they relate to each other and the significant differences in information they provide.
- A concise, condensed financial report that summarizes the results of operations and a narrative financial analysis of the Agency's overall financial condition and results of operations, supported by additional consolidated information about specific services provided by the Agency.

Overview

The purpose of the Babcock Street Community Redevelopment Agency is to eliminate slum and blighted conditions within the identified redevelopment area pursuant to the redevelopment plans of the Agency.

The Agency's primary source of revenue is tax increment funds. The revenue is computed by applying the operating tax rate for the City of Melbourne (the "City") and Brevard County (the "County"), multiplied by the increased value of the property located within the boundaries of the redevelopment areas of the Agency, over the base property value, minus 5% for early payment. The City and County are required to fund this amount annually without regard to tax collections or other obligations.

Further, the governing body of the Babcock Street Community Redevelopment Agency is the Melbourne City Council who make decisions on which programs and projects to fund, based on the adopted CRA plan. To review projects and programs and make recommendations, the Redevelopment Agency Board has appointed members to the Babcock Community Redevelopment Advisory Committee.

The Agency was established in 1998, by the City of Melbourne, Florida under the provisions of Section 163.333 Florida Statutes.

Overview of the Financial Statements

The discussion and analysis are intended to serve as an introduction to the Agency's basic financial statements. The Agency's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. The report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The *government-wide financial statements* are designed to provide readers with a broad overview of the Agency's finances, in a manner similar to a private-sector business.

The *statement of net position* presents information on all of the Agency's assets and liabilities with the difference reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Agency is improving or deteriorating.

The *statement of activities* presents information showing how the Agency's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., bond principal and interest payments).

The government-wide financial statements can be found on pages 8-9 of this report.

Fund financial statements. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Agency uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

**BABCOCK STREET COMMUNITY REDEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

Governmental funds. *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the Agency's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The Agency adopts an annual appropriated budget. A budgetary comparison statement has been provided as part of Required Supplementary Information, to demonstrate compliance with this budget.

The basic governmental fund financial statements can be found on pages 10-13 of this report.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 14-20 of this report.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain *required supplementary information* concerning the Agency's budget. Required supplementary information (RSI) can be found on pages 21-24 of this report.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the Agency, liabilities exceeded assets by \$518,606.

The net investment in capital assets is 53% of the net position. These assets are not available for future spending. The unrestricted net position represents the amount the liabilities exceed existing current and other assets.

Statement of Net Position

	Governmental Activities		Increase (Decrease)
	2020	2019	Amount
Assets			
Current and other assets	\$ 366,313	\$ 313,548	\$ 52,765
Capital assets	275,793	275,793	-
Total assets	<u>642,106</u>	<u>589,341</u>	<u>52,765</u>
Liabilities			
Long-term liabilities outstanding	880,678	1,154,611	(273,933)
Other liabilities	280,034	269,442	10,592

Interest on long-term debt	<u>45,049</u>	<u>56,676</u>	<u>(11,627)</u>	<u>-20.51%</u>
Total expenses	<u>272,242</u>	<u>278,167</u>	<u>(5,925)</u>	<u>-2.13%</u>
Change in net position before transfers	<u>880,733</u>	<u>684,046</u>	<u>196,687</u>	<u>28.75%</u>
Transfers to primary government	<u>(564,627)</u>	<u>(366,694)</u>	<u>(197,933)</u>	<u>53.98%</u>
Change in net position	316,106	317,352	(1,246)	-0.39%
Net position - October 1,	<u>(834,712)</u>	<u>(1,152,064)</u>	<u>317,352</u>	<u>-27.55%</u>
Net position - September 30	<u>(518,606)</u>	<u>(834,712)</u>	<u>316,106</u>	<u>-37.87%</u>

Financial Analysis of the Agency's Funds

As noted earlier, the Agency uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental fund. The focus of the Agency's *governmental fund* is to provide information on near-term inflows, outflows, and balances of *spendable* resources. Such information is useful in assessing the Agency's financing requirements.

As of the end of the fiscal year, the Agency's governmental fund reported an ending fund balance of (\$794,399), an increase of \$316,106 in comparison with the prior year due to higher incremental tax revenues.

Budgetary Highlights

The following is a brief review of the budget changes from the original to the final amended budget, and a review of the final amended budget and actual amounts (presented on a budgetary basis). A detailed budgetary comparison schedule for the Agency is included on page 21 of the RSI section of the CAFR.

The variance between the final budget and the actual results reflects total revenues exceeding budget by \$6,168, and total expenditures and transfers out of \$289,976 less than appropriated. These factors caused the change in fund balance to be \$296,144 higher than budgeted.

Capital Asset and Debt Administration

Capital assets. The Agency's capital assets for governmental activities as of September 30, 2020 total \$275,793 (net of accumulated depreciation). The capital assets include land and machinery and equipment.

**BABCOCK STREET COMMUNITY REDEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

Capital Assets

	Governmental Activities	
	2020	2019
Land	\$ 275,793	\$ 275,793
Total capital assets, net of depreciation/amortization	<u>\$ 275,793</u>	<u>\$ 275,793</u>

Additional information on the Agency's capital assets can be found in Note (3) B on pages 19 of this report.

Long-term debt. At the end of the current fiscal year, the Agency had no debt outstanding.

**BABCOCK STREET COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Babcock Street Community Redevelopment Agency's (the "Agency") financial statements are prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the standard-setting body for governmental accounting and financial reporting. The GASB periodically updates its codification of the existing Governmental Accounting and Financial Reporting Standards which, along with subsequent GASB pronouncements (Statements and Interpretations), constitutes GAAP for governmental units.

A. REPORTING ENTITY

The Babcock Street Community Redevelopment Agency was established in 1998 by the City of Melbourne, Florida (the "City") under the provisions of Section 163.333, Florida Statutes.

The governing body of the Babcock Street Community Redevelopment Agency is the Melbourne City Council who make decisions on which programs and projects to fund, based on the adopted CRA plan. To review projects and programs and make recommendations, the Redevelopment Agency Board has appointed members to the Babcock Street CRA Advisory Committee.

For financial reporting purposes, the Agency is a component unit of the City and is thus included in the City's comprehensive annual financial report as a blended component unit. This report is not a complete presentation of the City of Melbourne.

B. GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

The Agency's basic financial statements are presented in two separate and distinct formats. These consist of government-wide financial statements and fund financial statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for services. The Agency does not have any business-type activities and has only governmental activities.

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the activities of the Agency.

The statement of net position, reports the assets and liabilities, including capital assets and long-term debt. Within this statement, the net position of the Agency (assets minus liabilities) is reported in two separate components – net investment in capital assets and restricted net position.

The statement of activities demonstrates the degree to which the direct expenses, including depreciation, are offset by program revenues and operating and capital grants. The statement then reports the extent to which the resulting net costs (gross expenses less directly-related program revenues and grants) are financed by general revenues of the Agency (i.e. taxes, interest income, etc.).

Fund financial statements report information at a higher level of detail, focusing on separate reporting of individual major funds, rather than consolidating financial data into the broad category of governmental activities.

The financial transactions of the Agency are reported in an individual fund within the City's accounting system. The fund is accounted for by providing a separate, self-balancing set of accounts comprised of the assets, liabilities, reserves, fund equity, revenues and expenditures of the fund. For purposes of this report, the Agency's fund is classified as a major governmental fund.

C. MEASUREMENT FOCUS, BASIS OF ACCOUNTING, AND FINANCIAL STATEMENT PRESENTATION

Basis of accounting refers to when revenues, expenditures or expenses are recognized and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

**BABCOCK STREET COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Agency considers revenues to be available if they are collected within 60 days of the end of the current fiscal period, except for grants, for which the period is 12 months. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, are recorded only when payment is due.

When both restricted and unrestricted resources are available for use, it is the Agency's policy to use restricted resources first, followed by committed, assigned, and unassigned amounts when expenditures have been incurred for which resources in more than one classification could be used.

Interest associated with the current fiscal period is considered to be susceptible to accrual and has been recognized as revenue of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the government.

**D. ASSETS, DEFERRED OUTFLOWS, LIABILITIES, DEFERRED INFLOWS,
AND NET POSITION OR EQUITY**

1. Cash and Cash Equivalents/Investments

Cash and cash equivalents represent all investments which are short term, highly liquid, and readily convertible to a specified cash value. These investments generally have original maturities of three months or less. Cash equivalents consist of equity in pooled investments. Investments are stated at fair value, based on the quoted market price.

2. Pooled Cash

Equity in pooled cash consists primarily of investments in debt instruments of the federal government and corporate holdings. Investment earnings of the pool are allocated to the participating funds at the end of each month based on the ratio of each participant fund's investment to the total pooled investment. As of September 30, 2020, the Agency participated in pooled cash investments with the City of Melbourne.

3. Receivables and Payables

Activities between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds". Long-term advances between funds are offset by a nonspendable fund balance account in applicable governmental funds to indicate they are not available for appropriation and are not expendable available financial resources. All trade receivables are shown net of an allowance for uncollectibles.

4. Capital Assets

Capital assets, which include property, plant, equipment, intangibles, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported in the governmental activities column in the government-wide financial statements. Capital assets, other than equipment, are defined by the government as assets with an initial, individual cost of more than \$25,000 (amount not rounded) and an estimated useful life in excess of two years. Equipment is defined as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of two years. Such assets are recorded at historical cost, if purchased or constructed, and at acquisition value of market transaction at date of gift, if donated. Major additions are capitalized while maintenance and repairs which do not improve or materially extend the life of the respective assets are charged to expense. Major outlays for capital assets and improvements are capitalized as projects are constructed.

**BABCOCK STREET COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

Capital assets are depreciated or amortized using the straight-line method over the following average useful lives:

Classification	Range of
Buildings	20-40 years
Machinery, equipment and other	2-20 years

E. FUND BALANCE

In the governmental fund, fund balances are reported as nonspendable if they are not in spendable form or are legally or contractually required to be maintained intact. In addition, fund balance is reported as restricted to specific purposes based upon the extent to which the Agency is bound to honor constraints placed on those funds.

Encumbrance accounting, under which purchase orders and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is utilized in the governmental fund. Encumbered amounts for specific purposes are reported within the applicable restricted, committed or assigned fund balance classifications.

Net position of the government-wide fund is categorized as net investment in capital assets; restricted or unrestricted. Net investment in capital assets consists of capital assets reduced by the outstanding debt issued to acquire, construct or improve those assets, less any unspent debt proceeds. Restricted net position has regulatory or third party limitations on its use.

The Agency applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

F. REVENUES

Intergovernmental Revenue -The Agency’s primary source of revenue is tax increment funds collected from the City and Brevard County deposited into the Community Redevelopment Trust Fund. These entities levy ad valorem property taxes within the legally defined redevelopment area of the Agency. The tax increment revenue is calculated by applying the adopted millage rate to the increase in current year taxable assessed valuations within the designated CRA districts using the year in which they were established as the “base year”. For example, if an unimproved property was valued at \$10,000 in the base year and a new house is built on the property tomorrow, the new value of the property is \$25,000. The incremental difference in value (new assessed value – base year value) is \$15,000. Taxes collected on the property will be split amongst the City and County. The Agency receives all taxes assessed on the incremental increase of \$15,000. Revenues generated by improvements in the Agency district are to be reinvested in the district to continue to spur redevelopment.

Assessed values are established by the Brevard County Property Appraiser. The assessed property value recognized by the City and Brevard County includes the second homestead exemption. The City and Brevard County are required to pay 95% of these incremental property taxes to the Agency on or before January 1 of each year, otherwise the full amount of the incremental revenue will be due.

Program Revenue - In the Government-wide Statement of Activities, revenue that is derived directly from the program itself or from outside sources, if restricted to a specific program, is called program revenue. Program revenue is classified as either operating grants or capital grants. Operating grant revenues come from other government entities to support the operation costs of particular functions and also from the earnings of permanent funds that are legally restricted to a particular function. Capital grants come from other government entities for the purpose of constructing or purchasing capital assets.

**BABCOCK STREET COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

G. USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(2) STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

Budgetary Information

The Agency has elected to report budgetary comparisons as Required Supplementary Information (RSI). Please refer to the accompanying notes to the RSI for the Agency's budgetary information.

As of September 30, 2020, there were no material violations of budgetary requirements.

(3) DETAILED NOTES

A. DEPOSITS AND INVESTMENTS

Deposits –Banks and savings and loans must meet the criteria to be a qualified public depository as described in the Florida Security for Public Deposits Act in accordance with Chapter 280, Florida Statutes before any investment of public funds can be made with them. At September 30, 2020, the carrying amount of the City of Melbourne's deposits with banks was \$11,390,903 and the bank balance was \$11,137,590.

As of September 30, 2020, all of the City's interest bearing bank balances are covered by the Federal Depository Insurance Corporation (FDIC). Monies invested in amounts greater than the insurance coverage are secured by the qualified public depositories pledging securities with the State Treasurer in such amounts required by the Florida Security for Public Depositories Act. In the event of a default or insolvency of a qualified public depositor, the State Treasurer will implement procedures for payment of losses according to the validated claims of the City pursuant to Section 280.08, Florida Statutes.

The City maintains a pool of cash and investments in which each fund participates on a daily transaction basis. Investment earnings are distributed monthly based on average daily balances.

City daily deposits are deposited in Earnings Credit Rate (ECR) earning accounts. These accounts are fully collateralized in accordance with Florida state law

City of Melbourne Investment Policy – Pursuant to the requirements of Section 218.415, Florida Statutes, the City of Melbourne adopted Resolution No. 3511 on September 8, 2016, establishing the City's present investment policy. Such investment policy applies to the investment of surplus funds, which include cash and investment balances of the following funds of the City: General, Capital Projects, Special Revenue, Enterprise, Internal Service, Trust and Agency, and Airport. The investment policy does not apply to the investment of principal, interest, reserve, construction, capitalized interest, and redemption or escrow accounts created by ordinance or resolution pursuant to the issuance of bonds where the investments are held by an authorized depository. This policy does not apply to funds not under control of the City; such as, the Police Officers' Retirement System, the Firefighters' Retirement System, and the General Employees' and Special Risk Class Employees' Pension Plan.

All investments are made based on reasonable research as to credit quality, liquidity and interest rate risk prior to the investment being acquired.

The investment policy authorizes the City to invest in U.S. Government securities, agencies, Federal instrumentalities and Supra-nationals, repurchase agreements, the Local Government Surplus Funds Trust Fund administered by the Florida State Board of Administration, interest bearing time deposits or savings accounts, commercial paper, corporate notes, bankers acceptances, and State or local government taxable or tax-exempt debt, and an intergovernmental investment pool. Overnight repurchase agreements restrict investments to obligations of U.S. Government Agencies and Federal instrumentalities.

BABCOCK STREET COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020

The investment policy provides maturity and liquidity requirements for investments. All investments other than investments in the Local Government Surplus Funds Trust Fund are required to be purchased pursuant to competitive bids. A maximum of 25% of available funds may be invested in the Local Government Surplus Funds Trust Fund. The policy also requires diversification of the investment portfolio to control the risk of loss from overconcentration of assets in a specific maturity, issuer, instrument, dealer, savings and loan, or bank through which investments are purchased. Concentration of credit risk is the risk of loss attributed to the magnitude of a government's investment in a single issuer. The City's investment policy restricts portfolio composition for federal instrumentalities to 100% total, 40% individually. Concentration percentages for the Federal instrumentalities are provided in the schedule. Currently, the investment of a significant portion of the City's and Airport's portfolios is being managed by the City's financial advisor, PFM Asset Management LLC.

Custodial credit risk for investments is the risk that, in the event of a failure of the counter party, the City will not be able to recover the value of the investment or collateral securities that are in the possession of an outside party. The City's investment policy states that all securities, with the exception of certificates of deposits, shall be held with a third party custodian; and all securities purchased by, and all collateral obtained by the City should be properly designated as an asset of the City. The third party custodian holds securities in an account separate and apart from the assets of the financial institution, and are either insured or registered in the City's or Airport's name.

The fair values of the City's fixed-maturity investments fluctuate in response to changes in market interest rates. Increases in prevailing interest rates generally translate into decreases in fair values of those instruments. Fair values of interest rate-sensitive instruments may be affected by the credit worthiness of the issuer, prepayment options, relative values of alternative investments, the liquidity of the instrument, and other general market conditions. As a means to limiting its exposure to fair value losses arising from rising interest rates, the City's investment policy limits its investment portfolio to maturities of less than 5.5 years for corporate notes, two years for time deposits, and 270 days for commercial paper.

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. As a means to limiting its exposure to credit risk, the City limits investments with credit quality ratings from nationally recognized rating agencies of:

- State and/or local government taxable and/or tax-exempt debt, general obligation and/or revenue bonds, rated at least "MIG 1/A3" by Moody's Investors Services and "SP-1/A-" by Standard & Poor's for long-term debt.
- Corporates and/or commercial paper of any United States company that is rated, at the time of purchase, "P-1" by Moody's and "A-1" by Standard & Poor's.
- Money Market Mutual Funds that are rated "AAA" by Standard & Poor's, or the equivalent by another rating agency.
- Local Government Surplus Funds Trust Fund money market funds that are rated "AAA" by Standard & Poor's, or the equivalent by another rating agency.
- The Agency's equity in pooled investments is all held in the money market funds.

**BABCOCK STREET COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

B. CAPITAL ASSETS

Capital asset activity for the year ended September 30, 2020 was as follows:

	Balance October 1, 2019	Additions	Deletions	Balance September 30, 2020
Capital assets, not being depreciated/amortized:				
Land	\$ 275,793	\$ -	\$ -	\$ 275,793
Total capital assets, not being depreciated/amortized	<u>275,793</u>	<u>-</u>	<u>-</u>	<u>275,793</u>
Capital assets, being depreciated/amortized:				
Machinery and equipment	28,662	-	3,478	25,184
Total capital assets, being depreciated/amortized	<u>28,662</u>	<u>-</u>	<u>3,478</u>	<u>25,184</u>
Less accumulated depreciation/amortization:				
Machinery and equipment	28,662	-	3,478	25,184
Total accumulated depreciation/amortization	<u>28,662</u>	<u>-</u>	<u>3,478</u>	<u>25,184</u>
Total capital assets, being depreciated/amortized, net	<u>-</u>	<u>-</u>	<u>-</u>	<u>-</u>
Governmental activities capital assets, net	<u>\$ 275,793</u>	<u>-</u>	<u>-</u>	<u>\$ 275,793</u>

Depreciation/amortization expense charged to functions/programs of the Agency was \$0.

C. ENCUMBRANCE COMMITMENTS

At September 30, 2020, the Agency had encumbrance commitments in the Governmental fund in the amount of \$19,962.

D. INTERFUND RECEIVABLES AND PAYABLES

Interfund receivables and payables of the Agency at September 30, 2020, are summarized below.

	Due From	Due To
Primary Government (General fund)	\$ 273,933	\$ -
Agency	-	273,933
Totals	<u>\$ 273,933</u>	<u>\$ 273,933</u>
	Advance To	Advance From
Primary Government (General fund)	\$ 880,678	\$ -
Agency	-	880,678
Totals	<u>\$ 880,678</u>	<u>\$ 880,678</u>

All interfund receivables and payables with the primary government represent cash transfers for operating purposes and amounts expected to be repaid within one year. Advances represent the non-current portion of interfund loans. In FY 2018, City Council and the CRA Board approved an advance from the City's General Fund of \$1,675,000 to the Agency for the reconstruction of Babcock Street from Hibiscus Boulevard to just north of Apollo Boulevard including crosswalks and drainage improvements. As of September 1, 2020 the remaining balance is \$1,154,611 and is expected to be paid off on September 1, 2024.

**BABCOCK STREET COMMUNITY DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

E. INTERFUND TRANSACTIONS

Interfund transfers at September 30, 2020 are as follows:

	Primary Government (General Construction fund)	Agency	Total
Primary Government (General Construction fund)	\$ 564,627	\$ -	\$ 564,627
Agency	-	(564,627)	(564,627)
Total Transfers out	<u>\$ 564,627</u>	<u>\$ (564,627)</u>	<u>\$ -</u>

Significant transfers included \$540,000 from the Agency to the General Construction fund of the City for a right turn lane at Dr. Martin Luther King, Jr. Boulevard.

(4) OTHER INFORMATION

A. CONTINGENCIES

In March 2020, the World Health Organization made the assessment that the outbreak of a novel coronavirus (COVID-19) can be characterized as a pandemic which is still going on. As a result, uncertainties have arisen that may have a significant negative impact on the operating activities and results of the Agency. The occurrence and extent of such an impact will depend on future developments, including: (i) the duration and spread of the virus, (ii) government quarantine measures, (iii) voluntary and precautionary restrictions on travel or meetings, (iv) the effects on the financial markets, and (v) the effects on the economy overall, all of which are uncertain.

B. SUBSEQUENT EVENTS

On February 9, 2021, the Agency approved Resolution 3991 adjusting the appropriation of the fund balance.

**BABCOCK STREET COMMUNITY REDEVELOPMENT AGENCY
REQUIRED SUPPLEMENTARY INFORMATION
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

BUDGETARY NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

The City Council typically adopts an annual budget for the Agency. The budget is prepared on a modified accrual basis with encumbrance accounting. Budgetary control is legally maintained at the fund level. Budget transfer authority is provided to the City Manager within a fund as long as the total budget of the fund is not increased. City Council action is required for the approval of a supplemental budget.

Supplemental appropriations were made during the year and all budget amounts presented in the accompanying Schedule of Revenues, Expenditures and Changes in Fund Balance have been adjusted for legally authorized revisions of the annual budget. All appropriations which are not expended, encumbered, or committed lapse at year end. Encumbered appropriations are carried forward to the subsequent year's budget.

Encumbrance accounting, under which purchase orders are recorded in order to reserve that portion of the applicable appropriation, is employed as an extension of formal budgetary integration. Encumbrances outstanding at year end are carried forward to the next year's budget and are reported as restricted or assigned fund balance in the governmental fund financial statements since they do not constitute actual expenditures or liabilities.

Actual results of operations are presented in accordance with generally accepted accounting principles (GAAP basis) and the City's accounting policies do not recognize encumbrances as expenditures until the period in which the actual goods or services are received and a liability is incurred. It is necessary to include budgetary encumbrances to reflect actual revenues and expenditures on a basis consistent with the City's legally adopted budget.

**BABCOCK STREET COMMUNITY REDEVELOPMENT AGENCY
REQUIRED SUPPLEMENTARY INFORMATION
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2020**

A – Explanation of Differences between Budgetary Inflows and Outflows and GAAP Revenues and Expenditures

Revenues

Actual amounts (budgetary basis) of total revenues as reported on the statement of revenues, expenditures and changes in fund balances - budget and actual equal total revenues as reported on the statement of revenues, expenditures, and changes in fund balance.

Expenditures

Actual amounts (budgetary basis) "total expenditures" as reported on the statement of revenues, expenditures and changes in fund balance - budget and actual

\$ 292,204

Differences - budget to GAAP:

Encumbrances for professional services, supplies and equipment ordered but not received are reported in the year the order is placed for *budgetary* purposes, but in the year the supplies and services are received for

financial reporting purposes.

(19,962)

Total expenditures are reported on the statement of revenues, expenditures, and changes in fund balance.

\$ 272,242

B – Explanation of Differences between Budgetary Inflows and Outflows and GAAP Revenues and Expenditures

The budgetary schedules present comparisons of the legally adopted budget with actual data on a budgetary basis. Since accounting principles applied for purposes of developing data on a budgetary basis differ significantly from those used to present financial statements in conformity with generally accepted accounting principles, a reconciliation of the resultant timing differences in the excess (deficiency) of revenues over (under) expenditures and other financing sources (uses) (Budgetary Basis) as compared to the excess (deficiency) of revenues over (under) expenditures and other financing sources (uses) (GAAP Basis) for the year ended September 30, 2020 is presented in the following table:

Excess (deficiency) of revenues over (under) expenditures and other financing sources (uses) (Budgetary Basis)

\$ 296,144

Adjustments:

Encumbrances

19,962

Excess (deficiency) of revenues over (under) expenditures and other financing sources (uses) (GAAP Basis)

\$ 316,106

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable Mayor and Members of the City Council
Babcock Street Community Redevelopment Agency

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Babcock Street Community Redevelopment Agency, as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the Babcock Street Community Redevelopment Agency's basic financial statements, and have issued our report thereon dated March 9, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Babcock Street Community Redevelopment Agency's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Babcock Street Community Redevelopment Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Babcock Street Community Redevelopment Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Babcock Street Community Redevelopment Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' MANAGEMENT LETTER

To the Honorable Mayor and Members of City Council
Babcock Street Community Redevelopment Agency

Report on the Financial Statements

We have audited the financial statements of the Babcock Street Community Redevelopment Agency, as of and for the fiscal year ended September 30, 2020, and have issued our report thereon dated March 9, 2021.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated March 9, 2021, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)4., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding audit report. However, no recommendations were made in the preceding audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The legal authorities for the Babcock Street Community Redevelopment Agency are disclosed in the footnotes. The Babcock Street Community Redevelopment Agency has no component units.

Financial Condition and Management

Section 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require that we apply appropriate procedures and communicate the results of our determination as to whether or not the Babcock Street Community Redevelopment Agency has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify of the specific condition(s) met. In connection with our audit, we determined that Babcock Street Community Redevelopment Agency did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.c. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the Babcock Street Community Redevelopment Agency. It is management's responsibility to monitor the Babcock Street Community Redevelopment Agency's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Council members and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTION 163.387 (6) AND SECTION 163.387(7), FLORIDA STATUTES

To the Honorable Mayor and Members of City Council
Babcock Street Community Redevelopment Agency

We have examined the Babcock Street Community Redevelopment Agency's (the "Agency") compliance with the requirements of Section 163.387(6) and Section 163.387(7), Florida Statutes, *Redevelopment Trust Fund*, during the year ended September 30, 2020. Management is responsible for the Agency's compliance with the specified requirements. Our responsibility is to express an opinion on the Agency's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Agency complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Agency complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Agency's compliance with specified requirements.

In our opinion, the Agency complied, in all material respects, with the requirements of Section 163.387(6) and Section 163.387(7), Florida Statutes, *Redevelopment Trust Fund*, for the year ended September 30, 2020.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.

Carr, Riggs & Ingram, L.L.C.

Melbourne, Florida
March 9, 2021

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

To the Honorable Mayor and Members of City Council
City of Melbourne, Florida

We have examined the Babcock Street Community Redevelopment Agency's (the "Agency") compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2020. Management is responsible for the Agency's compliance with the specified requirements. Our responsibility is to express an opinion on the Agency's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Agency complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Agency complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including as assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Agency's compliance with specified requirements.

In our opinion, the Agency complied, in all material respects, with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, for the year ended September 30, 2020.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.
