

ANIMAL PERMIT APPLICATION

Applicant Name: _____

Applicant Address: _____
Address

City

State

Zip Code

Telephone Number: _____
(During Business Hours) *(Area Code)*

Type of Animal: _____ Quantity: _____

- Do not complete this application if you have an animal regulated by the Florida Fish and Wildlife Conservation Commission. A permit is required for animals (except domestic dogs and cats) that are kept outside of a residence.
- If an animal structure will be used, it must be in place prior to submitting the animal permit application. Animal structures must meet setback requirements established in City Code. If a structure is larger than 100 square feet or higher than six feet, a building permit for an accessory structure will be required from the Code Compliance Division.
- Code Compliance personnel will conduct a physical inspection of the area where the animal is maintained. The number of animals permitted will be based on the zoning district, lot size, and usable lot area. Animal permits will generally not be issued for roosters.
- Animal feed that is stored outside must be in sealed containers to prevent access by rodents, insects, and wildlife.
- An applicant for an animal permit is responsible for complying with applicable homeowners' association rules and regulations.
- If you are not the owner of the property, your signature below confirms that you have obtained permission from the property owner to keep animals that require an animal permit from the City.

SIGNATURE

I, _____, certify that the information I have provided in this application is true and correct; that I agree to the terms and conditions outlined above; and that I agree to adhere to the animal permitting procedures as outlined by the City Code of the City of Melbourne.

Signature of Applicant: _____

Date: _____

For electronic signatures:

- I understand that checking this box constitutes my electronic signature as a legal signature confirming that I acknowledge and agree to the above terms of acceptance.

REQUIRED ATTACHMENT: HAND DRAWN SITE PLAN

Site plan must include a sketch of the house (including the street) indicating the area in which the cage or pen will be located.
