

## NELAP Certified Laboratories as of June 11, 2024

The following list of laboratories was pulled from the Florida Department of Environmental Protection's NELAP Certified Laboratories database on June 11, 2024. It contains professional laboratories certified by the Florida Department of Health in the analysis of lead in drinking water using approved methodologies.

The Florida Department of Health updates the database weekly on Sundays. For more information and the most up-to-date information, please visit: <https://floridadep.gov/dear/florida-dep-laboratory/content/nelap-certified-laboratory-search>
